ISSUES OF CONCERN TO KERRVILLE ADDRESSED IN RESPONSIVE PROGRAMMING IN THE THIRD QUARTER, 2020

1. Finances: Advice on budgeting and managing money.

2. Death: People share their stories of how they made it through this process.

3. Anxiety/Stress: Tips for how to balance the overload in our lives.

4. Substance Abuse: Programming that will lead you to get the help you need.

5. Forgiveness: Releasing the burden off of you so you can have a fresh start.

6. Hope: Encouraging advice and stories that help you grow.

7. Family Issues: Communication, raising kids, blended families. Programming that addresses all those needs.
