➢ Roger Barton, Managing Partner – Barton LLP

Lead-in - Jeremy to ask some background question relating to me and\or the firm

- Background with Roger
- Why did Barton choose Nashville as its first new office expansion?
- What opportunities does Nashville give Barton and, related to that, what does Barton give [offer] to Nashville?
- I saw that your firm does international work, what does that mean and what does the practice do for Nashville and middle Tennessee?

➢ Staci Davis, Development and Community Relations Director – Waves

- Program history and population, we serve-- Waves started in 1947 as a small day program for individuals with intellectual and developmental disabilities and now we serve over 1,000 individuals and families annually.
- How our programming has been impacted throughout COVID- closing of programming (Adult Day Program and Employment Services), reopening of those programs, the continuation of specific programs (Residential and Early Learning) and the cancellation of the Office Recycling Program
- How the community can get involved-- volunteer opportunities and holiday shirt sales

➢ Brian Cournoyer, Realtor –Compass Real Estate

- I would like to focus on the low inventory levels and the need for listings.
- Highlight our Compass Concierge program where we pay for renovations to a person's home in order to obtain top dollar on the listing.
- What it takes to find a home in a tough market like this and the importance of using a connected REALTOR!
