Fundraiser for ministry partner – Convoy of Hope

On Tuesday, November 27, 2018, all stations in the K-LOVE Radio Network participated in a one-day fundraiser for Convoy of Hope. During this time $499,000 was raised to support Convoy of Hope as they assist those who have been affected by recent devastating hurricanes, flooding and fires. This station participated in the fundraiser.

Convoy of Hope is a faith-based, nonprofit organization who has helped more than 80 million people throughout the world by sharing food, water, emergency supplies. They are highly regarded for their scalable distribution model, Disaster Services teams, six international warehouses and a Mobile Command Center. Convoy of Hope is consistently among the first to respond to disasters throughout the world. Millions of survivors have been helped through partnership with local churches, businesses, government agencies, other nonprofits, donors and volunteers.
