

2015 1st Quarter Overview

Cumulus Colorado Pulse is a 30 minute weekly program hosted by two of our staff personalities who interview our community leaders for approximately 10 minutes each per organization. This program airs each Sunday morning throughout the six station cluster at 6am, except on KVOR where Sunday times vary between 5am and 7pm.

Listeners are encouraged within the program to follow up with these organizations by clicking on our station web sites and the Cumulus Colorado Pulse Facebook page, where hyperlinks and contact phone numbers are offered.
