

**LOCAL COMMERCIAL LIMITS CERTIFICATION FOR ALL  
MULTICAST PROGRAM STREAMS**

**Station:** WFPA-CD

This certification pertains to the immediately preceding calendar year  
(January 1, 2023- December 31, 2023).

Attached are certifications provided to the Station by each of the program networks (each, a Network”) carried on the Station's primary and multicast program streams, concerning the commercial content in children's television programming. Each Network certifies that: (i) as a standard practice, the Network formats programs designed for children 12 years of age and younger (“Applicable Children's Programs”) to allow no more than 10.5 minutes of commercial time per hour on weekends and 12.0 minutes of commercial matter per hour on weekdays, and/or (ii) the Network's children's television programming is designed for children 13 years of age and older.

The Station certifies that, **with** respect to each Network carried on each program stream, over the previous calendar year:

1. The Station did not insert any commercial or promotional matter within any of the Applicable Children's Programs listed outside of the regularly formatted commercial breaks (e.g., due to a technical failure).
2. The Station did not insert any local advertisements or promotional matter during any of the Applicable Children's Programs that did not comply with the commercial requirements of Sections 73.670{b)-(d) of the FCC rules (e.g., commercial advertisements including characters from the Children's Program, or promoting websites using characters from the Children's Program to sell products, run during or adjacent to the program).

I hereby state, under penalty of perjury, that the foregoing is true, correct, and complete to the best of my knowledge and belief.
