To whom it may concern,

This is to inform the commission that we had a revision of the AARP Issue Ad Script. The original schedule was suppose to begin on Monday 2/5/25. The new script caused a delay of the start date to Wednesday 2/7. That order has been uploaded to the sight.

Thank you for your understanding,

A handwritten signature in black ink, appearing to read 'Steve Cormier', written in a cursive style.

Steve Cormier

General Manger of the Radio Vermont Group and WDEV
