

WBDX-FM/ WLLJ-FM Quarterly Public Affairs Report 1st Quarter – 2011

The following list detail programs presented by radio station WBDX-FM, Trenton, GA and WLLJ-FM, Etowah, TN for the purpose of informing the community of a variety of issues between January 1, and March 31, 2011. The issues are not ordered by priority; additionally, the list should not be considered exhaustive.

Issue	Program	Date	Times Aired	Length	Description of Programming
Life Issues	Dr. Raymond Brown	February	10	:60	Dr. Raymond Brown talks about the importance of staying connected with our teenagers. He speaks about how it may be hard to say no to our kids, but we must stand firm so that our kids will be firm in what they believe.
Marriage Issues	New Life	January	10	:60	New Life Productions explain that everything we own comes from God. They challenge listeners to make the best use of everything that God has given to an individual.
Life Issues	Tony Bennett	January	10	:60	Tony Bennett explains that our nation is caught in a state of sin with abortions, human slave trade, and murder. He explains that our nation will be judged by this, and we need to know what we believe.
Life Issues	Air show	March	10	:60	Rick McConnell shares with listeners about a pastor who felt empty because of drugs, alcohol, ended marriages, and even being shot twice. The pastor was able to find hope when he accepted Jesus Christ as his Savior.
Life Issues	Air show	March	10	:60	Rick McConnell talks about how the human mind has a photographic memory, even if we don't think it does. He shares that since we remember things so well, we have to be careful of what we put our minds on.
