

WBDX-FM/ WLLJ-FM Quarterly Public Affairs Report 2nd Quarter – 2010

The following list detail programs presented by radio station WBDX-FM, Trenton, GA and WLLJ-FM, Etowah, TN for the purpose of informing the community of a variety of issues between April 1, and June 30, 2010. The issues are not ordered by priority; additionally, the list should not be considered exhaustive.

Issue	Program	Date	Times Aired	Length	Description of Programming
Marriage Issues	A Marriage Moment	Apr-10	6	:60	Dr. Raymond Brown encourages listeners to be mindful of our five senses and listen to what your body is telling you to do. He goes on to share how this can help many areas of your life.
Parenting Issues	Focus on the Family	Apr-10	6	:60	Dr. James Dobson talks about the importance of letting children act like children. He shares that making or encouraging young children to act like adults can slow down creativity and slow down development.
Health Issues	Heart Wise	May-10	1	30 minute	Dr. James Marcum and Sherry Rogers talk about truth behind Cholesterol - what causes problems in this area and how to avoid them.
Life Issues	Air show	Jun-10	6	:60	Rick McConnell talks about self esteem. He goes on to explain that we don't know that much about self esteem, but it is a crucial part of life.
Life Issues	Air show	May-10	6	:60	Rick McConnell talks about the ups and downs of life. He encourages listeners to be grounded in what they know there are suppose to do and not get caught up in all of the up and down celebration and depression.
