WTCN-CD Third Quarter 2018 Children's Television Programming Report Explanatory Document

In the Children's Television Programming Report for Third Quarter 2018, WTCN-CD inadvertently omitted the description for one of the core programs the station aired that quarter (*Rock the Park*). Because stations are no longer able to amend previously filed quarterly Children's Television Programming Reports, and consistent with the FCC's Form 303-S instructions, WTCN-CD is providing information here that would have otherwise been provided in its Third Quarter 2018 Children's Television Programming Report.

Program Title	Rock the Park
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	This program follows hosts Jack Steward and Colton Smith, as they come face to face with nature in America's national parks. Viewers will learn about the wonders of nature and the variety of wild animals that inhabit America. The hosts' adventures may inspire viewers to visit and explore the vast resources the national parks.
