Children's Television Act Certification

Dear Affiliate:

This letter is intended to assist you in satisfying your obligations under the Children's Television Act of 1990 (the "CTA") and the FCC regulations relating thereto in connection with your carriage of our video programming services (the "Discovery Networks").

The attached schedule lists the Discovery Networks that aired children's programs (as defined in the CTA) last quarter and identifies the children's programs aired on each such network. The schedule excludes all networks distributed by Discovery that did not air children's programs last quarter (Discovery Channel, TLC, Animal Planet, Investigation Discovery, Destination America, Science, American Heroes Channel (formerly Military Channel), Discovery En Español, Discovery Life Channel (formerly Discovery Fit and Health) and Velocity).

Discovery Communications, LLC certifies that, as standard practice, the children's programs identified on the attached schedule are formatted so that the total commercial time (including local ad avails) is no more than 10.5 minutes per hour on weekends and 12 minutes per hour on weekdays. This is in compliance with the CTA and the rules and regulations of the FCC.

We trust that this enables you to satisfy your obligations under the CTA and its regulations in connection with your carriage of the Discovery Networks. Please forward this letter (or copies) to any other appropriate individual(s) in your organization. As always, we appreciate your support.

Sincerely,

DISCOVERY COMMUNICATIONS, LLC
