THE CHAMBER MINUTE

Every Monday, Timm Slater, the Executive Director of the Bay Area Chamber of Commerce, discusses topics that range from local business to local community events.

The following time was donated to :90 PSAs informing the public about local events, business news and opportunities

Good morning, this is Timm Slater with your weekly Chamber minute.

A community tradition was born in 1987 when the Friends of Shore Acres decided to "string a few lights" to help celebrate the holidays. That first season, 6,000 miniature lights, one large Christmas tree, and the decorated Garden House drew 9,000 visitors.

Now in its 27th year of bringing magic to the Coast, Holiday Lights with 300,000 LED lights - many decorated Christmas trees, lighted sculptures, entertainment in the pavilion, and a beautifully decorated Garden House draws 40,000 to 50,000 visitors or more each season. Inside the Garden House, scrolls of names are a tribute to business supporters and the more than 1,500 volunteers who make it happen.

So beginning Thanksgiving day through the entire month of December, plan to make the trip to Shore Acres for Holiday Lights. Don't forget to sign the registry in the Garden House and enjoy the free hot spiced cider and cookies.

But why bring that up now? Well Saturday October 19th the light stringing at Shore Acres starts and lasts for 6 weekends. Anyone is welcome to come on out and participate. Just show up at 10 am on either Saturday or Sunday, and they will give you a job. Hey you even get a free lunch. ~~What a wonderful way to create a new holiday family tradition.~~

As you look to the holidays, don't forget just down the road from Shore Acres, the Charleston Volunteer Fire Department will have its 11th annual Christmas train display. In the fire hall discover over 200 little buildings representing the towns in Coos County. ~~It's complete with a fishing village, dairy barns, a farmers market and more.~~ It's free to the public, at their Cape Argo Highway main Station. And they also have free cookies and coffee for you.

This is Timm Slater for the Bay Area Chamber of Commerce, remember our business is helping your business.

10-18-13

Good morning, this is Timm Slater with your weekly chamber minute.

Over the past few months we have talked about the various teams, activities and opportunities the Chamber is involved in. But why be a Chamber member? I asked that question recently of our Directors, who are your friends and neighbors. Here's a little of what they had to say.

"Like many, my first thought is because we are a business community that should work together to better ourselves and better ~~our business~~ ^{our} community. I think by sharing we become better. By educating we become better. By working together we become better. The goal, in my opinion, is that if we do all of that we become great!

It is simple. We are stronger, have more influence and clout when we work together. We will each be successful when we are all successful.

I believe the Chamber is key to communications, coordination and collaboration in this community. The Chamber is the voice of local collective business.

I love knowing what's going on in our business community and being apprised of community events and activities. I like networking with other businesses and learning about the services that are offered in our area. I hope to help cultivate a thriving and inviting business culture in our area over the years.

I believe that as a business owner, I have a responsibility to invest my time and money back into the community that supports me and my family. As the community flourishes, so will my business.

I belong to the Chamber for Community involvement, networking opportunities through the many events and to stay connected. I believe The Chamber is truly making a difference in the community in a positive way.

So if you want to make a difference for your business and your community, join us. This is Timm Slater for the Bay Area Chamber of Commerce, remember our business is helping your business.

Good morning, this is Timm Slater with your weekly Chamber Minute.

It's Fall! Our thoughts turn to the World Series, cleaning gutters and getting ready for visitors. Isn't it amazing to have pumpkins, turkey and Santa Claus in just over 60 days? Who do you expect to see for that family dinner or your tradition of going to Holiday Lights? So people travel, even in the Fall.

If you think your business isn't a tourist related business, think again. In 2012 Coos County visitors spent \$29 million on ground transportation and motor fuel. They spent over \$26 million in retail stores and another \$22 million in grocery stores. In total, visitors spent some \$233 million in Coos County and guess what, it's your employees that keep them coming back.

Remember when a person who had one bad experience used to tell 10 other people about it? In 2005, Travel Oregon estimated that each bad experience cost a community \$20,000. With Facebook, Twitter and other social media tools, imagine what that costs equates to today.

Now imagine what great experiences can do for your business. Visitors spend more and stay longer if they feel welcome. Consumers will pay 10% more for a product or service from businesses that offer great customer service. To replace an existing customer your businesses spend five times more to attract a new one.

So what can we do to get ready for this winter's guests? One step is having your employees take the Oregon Q Care Customer Service Training on line at www.OregonQCare.com. It only takes an hour and can make a big difference for your business.

Chamber Minute

Good morning, this is Timm Slater with your weekly Chamber Minute

Our area has been dealing with the impact of a tough economy for a long time. Over 20 years ago, a group of Chamber businesses and the college got together to propose an event that would inform us about the developments on the national, state and regional economic fronts and celebrate local efforts and successes throughout the past year. Through that effort the Economic Outlook Forum was launched.

The 21st annual Economic Outlook Forum is scheduled for Friday December 13th from 6:45 to 11:00 am at the Mill Casino-Hotel. South coast residents will have the opportunity to hear from renowned economists and local leaders about projects of important to our area.

The conference features John Mitchell, former U.S. Bank Chief Economist and sponsored each year by U.S. Bank, who will provide the keynote address on the national and regional picture. John has the unique talent of making economics both interesting and entertaining. Guy Tauer, Labor Economist from the Oregon Employment Department, will present an overview of the Coos County and Coos Bay Area economy. Our local project updates will be provided by the Oregon International Port of Coos Bay, Real Estate trends and the Jordan Cove Energy Project. Also highlighted in our program will be "Home Grown Business Successes" West Coast Contractors and McKay's Markets. Additionally we have Senator Arnie Roblan introducing the forum.

Besides the great information you receive, you have the chance to network with over 200 other business folk. ~~In addition to talking with the couple dozen sponsors set up around the room.~~ So mark it down, December 14th, watch for the registration forms coming out later this month. 13th

Good morning, this is Timm Slater with your weekly Chamber minute.

With fallen leaves clogging your gutters and frost on the windshield, we begin thinking about the New Year, just around the corner. At the Chamber we begin our preparation for 2014's opportunities and successes with the annual Board planning session.

Remember the on line survey we talked about in September? For the past several years we have used your input about what you see are the most important issues facing our community, how you think the Chamber has been dealing with them and what you would like to have us address next year.

With that information and our Committee Teams 2014 goals, the Chamber sets its Strategic Objectives focus for next year.

Part of the success of that effort depends on leadership. The Executive committee for 2014 was just elected so let me share that information with you.

President— Pam Plummer—Umpqua Bank

President-Elect—Rick Skinner—Knife River Materials

Past President— Brooke Walton—John Gibson Agency, State Farm Insurance

Vice President—Government Affairs & Economic Development—Mark Wall:
Roseburg Resources Co.

Vice President—Tourism & Membership—Jayson Wartnik—Hough, MacAdam & Wartnik

Secretary—Erin Johnson—Edward Jones Investments

Treasurer—Renee Middleton—U.S. Bank

Your community has succeeded as a result of people working together. Your Chamber of Commerce provides the perfect mechanism for continued community cooperation and success. As a member, director or officer, you have an opportunity and an obligation to move your Chamber and community into an even more exciting future.

In this Thanksgiving Week, let me again share a special story with you.

Once upon a time, there was a wise man who used to go to the ocean to do his writing. He had a habit of walking on the beach before he began his work. One day he was walking along the shore. As he looked down the beach, he saw a human figure moving like a dancer. He smiled to himself to think of someone who would dance to the day. So he began to walk faster to catch up. As he got closer, he saw that it was a young man and the young man wasn't dancing, but instead he was reaching down to the shore, picking up something and very gently throwing it into the ocean.

As he got closer, he called out, "Good morning! What are you doing?" The young man paused, looked up and replied "Throwing starfish into the ocean."

"I guess I should have asked, why are you throwing starfish into the ocean?"

"The sun is up and the tide is going out. And if I don't throw them in they'll die."

"But young man, don't you realize that there are miles and miles of beach and starfish all along it. You can't possibly make a difference!"

The young man listened politely. Then bent down, picked up another starfish and threw it into the sea, past the breaking waves. "I made a difference for that one!"

What that young man's actions represent is something that is special in each and every one of us. We have all been gifted with the ability to make a difference. We have to be aware of that gift. And that is your challenge. And that is my challenge. And if we throw our stars wisely and well, I have no question that the Oregon Coast, will have a wonderful future.

As the holiday season approaches, think local first in shopping for products, services and experiences to share with your loved ones, and support your community. This is Timm Slater for the Bay Area Chamber of Commerce, remember our business is helping your business.

Good morning, this is Timm Slater with your weekly Chamber minute.

The annual Chamber of Commerce Awards banquet is set for Saturday, January 25th. Besides acknowledging the Officers, Board members, and Committee Chairs for the past year, and introducing the members who will serve in those roles for the upcoming year, we have a variety of awards and recognitions which truly make this a community celebration.

We'll talk more about the banquet as the time gets closer, but one of the main events of the evening, we need your help with right now. Citizen of the Year is an honor that is given to a member of our community, who, by consistently giving of their time, energy and resources, has made Oregon's Bay Area a better place to live. For 2012 that award went to Cindy Rawlings, who, for the last 7 years, has spearheaded the First Friday Wine walk in downtown Coos Bay.

Additionally the Business of the Year award is given to a business that has exhibited excellence in products and customer service; contributed time, manpower and resources to community improvement projects; and made significant contributions toward a healthy economy through excellence in employee relationships and training. Last year the award went to McKay's Markets, acknowledging their business excellence, ~~use of local suppliers and~~ their long term commitment to the communities they serve.

So how can you help affect these two awards? By making a nomination for someone or business which you think meets those standards. Nominations are now open through January 3rd for both of these honors. Give us a call and we can send you nomination forms or stop by the Chamber office on Central Avenue in Coos Bay to pick them up.

Good morning, this is Timm Slater with your weekly Chamber minute.

A community tradition was born in 1987 when the Friends of Shore Acres decided to "string a few lights" to help celebrate the holidays. That first season, 6,000 miniature lights, one large Christmas tree, and the decorated Garden House drew 9,000 visitors.

Now in its 27th year of bringing magic to the Coast, Holiday Lights with 300,000 LED lights - many decorated Christmas trees, lighted sculptures, entertainment in the pavilion, and a beautifully decorated Garden House draws 40,000 to 50,000 visitors or more each season. Inside the Garden House, scrolls of names are a tribute to business supporters and the more than 1,500 volunteers who make it happen.

So with family and friends here, sometime before January 1st, plan to make the trip to Shore Acres ~~for~~ to experience Holiday Lights. See if you can find the two new light sculptures. And don't forget to sign the registry in the Garden House while you enjoy the free hot spiced cider and cookies.

Just down the road from Shore Acres, the Miniature Village & Christmas Train Display, formerly in the Charleston Fire House, can be found in the Old Charleston School, just up Seven Devils Road. If the building is dark, don't leave, lights are kept off to see the displays better!

The tradition was started by Fire Captain, Rusty Shield, and his wife who simply wanted to spread holiday cheer to the community by creating this magnificent Christmas display. The display has grown in size and popularity each year for nearly 15 years! It's free to the public through Christmas Eve.

Good morning, this is Timm Slater with your weekly Chamber minute.

As we did before Thanksgiving, let me share a story with you.

After several days of maneuvers in bad weather, a US Navy battleship confronted problems in the dark. A lookout reported to the bridge, describing a light he saw off the starboard bow. When the Captain realized the two vessels were cutting a collision course, he sent a message, "we are on a collision course. Advise you change course 20 degrees". The distant light flashed a return message, "advisable for you to change course 20 degrees". The battleship captain sent, "I am a captain! Change course 20 degrees". "I am a seaman second class, you had better change course 20 degrees". The enraged captain sent, "I am a battleship, change course 20 degrees". Came the reply, "I am a lighthouse". The battleship immediately changed course. Effective leaders know how to change course in the face of those lighthouse realities. They are not content to keep carrying a torch for the way we used to do it.

You are all leaders, whether it is in the family, business or community. Leaders with a chance to make a difference in this New Year. Leaders who will be faced with change and opportunity. The main opportunity is the willing help of our friends and neighbors. In the Chamber we call that networking. So as we face lighthouse realities together, our success will only be limited by our expectations.

What can you help us with? What is your unique talent? Your Chamber has a spot where you, and only you, have the ability to make things happen. Resolve to join the team in 2014. If it's not to be you, then who are you willing to turn our community's future over to? Personally, I'd rather be part of the solution and I believe you would too.

EGYPTIAN THEATER

The Egyptian Theater is a local piece of history that has been shut down due to the building's unsafe condition. The Egyptian Theater Preservation Association is raising funds to restore the building and reopen it to the public.

In support of the program, the following time, valued at \$15,000, was donated to provide :30 PSAs encouraging the public to support the efforts to rebuild the Egyptian Theater in Coos Bay.
