Wow! **\$512,500** raised-all for the kids of St. Jude! You should be proud! We had all hands on deck to sell as many tickets as possible during an incredible giveaway special!

Not a single penny of this would have been possible without your **dedication** and **passion** for the kids of St. Jude. I am truly humbled by FOX 25's commitment to the hospital. It has been an absolute pleasure working with each of you. Thank you again from the bottom of my heart!

-----

St. Jude Children's Research Hospital is internationally recognized for its pioneering work in finding cures and saving children with cancer and other catastrophic diseases. St. Jude is the first and only pediatric cancer center to be designated as a Comprehensive Cancer Center by the National Cancer Institute. Founded by late entertainer Danny Thomas and based in Memphis, Tenn., St. Jude freely shares its discoveries with scientific and medical communities around the world. St. Jude is the only pediatric cancer research center where families never pay for treatment not covered by insurance. No child is ever denied treatment because of the family's inability to pay. St. Jude is financially supported by ALSAC, its fundraising organization. For more information, please visit [www.stjude.org](http://www.stjude.org).

Dear Stephanie:

On behalf of the American Heart Association, please accept our sincerest and heartfelt thanks for your generous contribution of the autographed print of American Idol Sheet Music that was auctioned off at the 2009 Go Red For Women Luncheon, on May 15, 2009. As an Auction Donor, you are recognized as a community leader in the Oklahoma City area and we are eternally grateful to you.

The tax deductibility of this gift is limited to the difference between the contribution given \$300, and the value of goods and services received. No goods, benefits and/or services were received with this contribution. In compliance with current IRS regulations this letter is your receipt for your gift. Please keep it for tax records. Federal Tax ID # - 13-05613797.

Benefits from the Go Red For Women Luncheon will support the American Heart Association researchers who are investigating ways of reducing disability and death from cardiovascular diseases and stroke. In addition, the funds are used to support heart healthy education in schools, nutrition awareness programs, public and professional education, smoking cessation and worksite and health site educational programs in the Greater Oklahoma City area.

Effective use of donations such as yours have provided Americans with the benefits of modern technology – effective medications, modernization of surgical techniques, and a clearer understanding of the factors contributing to cardiovascular disease.

Thank you again for your generosity. We are truly grateful.

Sincerely,

Julie Elerick  
Go Red For Women Luncheon Director
