Issue(s)	Host	Program	Date & Time Aired	Duration	Description
Misuse Of Power In The Supreme Court.	Ron Higgins	Liberty and Posterity	10/3/2020 10AM	28 Minutes	On this program, Ron discussed how evil individuals, such as the late Justice Ginsburg, have employed judicial tyranny to undermine our liberties, jeopardize the most vulnerable in our society, turn ethics and justice on their heads, and undermine the social fabric of our society.
National Health, Protective Mask Usage.	Ron Higgins	Liberty and Posterity	10/10/2020 10AM	28 Minutes	On this program, Ron discussed how empirical scientific studies have concluded that masks, such as those worn in response to the covid-19 virus, don't protect the wearers or the public from respiratory infection and may actually increase the risk of the wearers becoming ill and contracting respiratory infection themselves.
COVID 19, Immigration.	Various	Vice President Candidates Debate	10/10/2020 12 Noon	90 Minutes	Participants discussed the seriousness of the COVID 19 virus and how to contain it. Participants argued over the degree that illegal aliens should be given free services in the US and the right to vote.
Public Schools, Sex Ed.	Ron Higgins	Liberty and Posterity	10/17/2020 10AM	28 Minutes	On this program, Ron discussed the importance of the education of youth from a Biblical and historical perspective, the dangers to society if youth are not properly prepared for their role as citizens in a Constitutional Republic and free enterprise economy, and the fact that neither the incumbent Washington State Superintendent of Public Instruction, nor the challenger, meet the qualifications for that position of high importance. Although the incumbent is an experienced educator, he is in the process of implementing a comprehensive sex ed curriculum to school children, including elementary age children, that encourages and glamorizes sexual behavior, which some contend leads children to engage in sexual activity and makes them potential victims of sex predators. To stop the implementation of this sex ed curriculum, residents of Spokane

					County would need to REJECT Referendum 90 in the coming election. The challenger opposed the comprehensive sex ed curriculum, but she has never worked in public education in her life and misrepresented her background and qualifications.
