Here follows a listing of some of the significant issues responded to by radio station KSGM Chester, Illinois along with the most significant programming treatment of those issues for the period Jan 1 through March 31, 2023

KSGM Focus is broadcast Monday through Friday during the Noon news block and repeated during the 5 pm news block. These feature interviews with community members discussing items of importance.

KSGM public affairs announcements are done on both a recorded and live basis. Recorded features are put into a file to rotate on the air at

varying times.

News stories concerning the possible silica sand mine in Ste. Genevieve County were aired on several occasions as this is an ongoing situation.

The Chester meetings were covered in several news stories.

The city council meetings of Ste. Genevieve were covered in several news stories.

Meetings of the Chester School Board were reported in news stories.

News stories concerning food distributions by local organizations to those in need were broadcast during January, February, and March.

Announced boil water orders for Chester during March.

Aired Interviews

WELCOME HOME RANCH

Every Wednesday morning at approximately 8:40 Cassandra Smith, president and founder the Welcome Home Ranch Animal Rescue Program discusses their services and features animals in need of fostering or adoption. A number of these were rebroadcast in the Focus program mentioned below.

There are also PSAs running throughout the day promoting their services.
