Program Title: NewsChannel 9 at 6:00pm

Date: 7/30/15

Time: 6:00pm

Duration of Segment: 5:00

Detailed Description: Nearly three years after murdering his wife, Leslie, in their DeWitt home, Doctor Robert Neulander is headed off to state prison. Moments before hearing his sentence of 20 years to life, we heard Neulander speak for the first time about the death of his wife, while his attorneys are speaking up about their plans to appeal.

Program Title: NewsChannel 9 at 5:30pm

Date: 7/31/15

Time: 6:00pm

Duration of Segment: 2:15

Detailed Description: The Cincinnati shooting has many wondering how far police can venture from campus, and what sort of training officers face before they hit the streets. We caught up with campus police at SU to talk about maintaining the safety at local colleges and universities.

Program Title: NewsChannel 9 at 6:00pm

Date: 7/31/15

Time: 6:00pm

Duration of Segment: 2:15

Detailed Description: The agonizing wait continues for a local family fighting to keep the man who randomly and maliciously killed their loved one in prison. A state parole board says it needs more time to consider William Levea's parole application, leaving Christopher Spack's family waiting for answers.

Program Title: NewsChannel 9 Weekend

Date: 8/2/15

Time: 11:00pm

Duration of Segment: 2:20

Detailed Description: Five men led police on a car chase on i-81 south in Cortland and Broome counties.

Program Title: NewsChannel 9 at 5

Date: 8/4/15

Time: 5:00pm

Duration of Segment: 2:00

Detailed Description: Oneida Police say a 32-year-old woman was found in an upstairs bedroom of her home by a relative. Tiffany Meeks is the mother of two young children. The police chief said neither child was home at the time of her death. Investigators have been focused on the garage as well, likely because her vehicle was missing.

Program Title: NewsChannel 9 at 6:00

Date: 8/4/15

Time: 6:00pm

Duration of Segment: 2:20

Detailed Description: A Canastota man is behind bars tonight -- charged with robbery, grand larceny, and resisting arrest -- accused of carjacking a woman in a grocery store parking lot, and then leading police on a high-speed chase.

Program Title: NewsChannel 9 at 6:00
Time: 6:00pm

Date: 8/4/15

Duration of Segment: 2:15

Detailed Description: A gruesome discovery at a home in the city of Oneida. Police tell us 32-year-old Tiffany Meeks appears to have been strangled. She was found in an upstairs bedroom at her lake street home this afternoon.

Program Title: NewsChannel 9 at 5:30
Time: 5:30pm

Date: 8/5/15

Duration of Segment: 6:00

Detailed Description: Dr. Robert Neulander is waiting to find out which state prison he'll be sent to for killing his wife Leslie. A rare inside look at the prosecution's case that convinced a jury to find the well-known physician guilty of murder.

Program Title: NewsChannel 9 at 5:30
Time: 5:30pm

Date: 8/5/15

Duration of Segment: 6:00

We get an Inside look at the floorplan of the Nuelander home . Jurors saw both autopsy photos of all Leslie's injuries and virtual depictions

Program Title: Eleven@11
Time: 11:00 p.m.

Date: 08/05/15

Duration of Segment: 2:25

Description: An Ithaca police officer finally gets healthcare after a long battle with the city after being forced not to work after being shot and injured in the line of duty.

Program Title: NewsChannel 9 at 5:30
Time: 5:30pm

Date: 8/6/15

Duration of Segment: 5:45

Detailed Description: a very unique opportunity to see and hear key elements of the case against Dr Robert Neulander, just the way it was delivered to jurors. With Neulander sentenced last week -- the prosecution has opened up to NewsChannel 9, giving us a very rare look into their case.

Program Title: NewsChannel 9 at 5:30
Time: 5:30pm

Date: 8/6/15

Duration of Segment: 4:47

Detailed Description: we continue our inside look into the prosecution's case against Dr. Robert Neulander. NewsChannel 9's Jeff Kulikowsky talked with DA Bill Fitzpatrick in detail about the case. Jeff you mentioned we're going to see a very small area of the crime scene next....why is this one little section so important to the prosecution's case.

Program Title: Eleven@11
Time: 11:00 p.m.

Date: 08/06/15

Duration of Segment: 2:25

Description: A man is facing charges, accused of approaching 2 young boys in a park. One of the boy's moms describes what happened.

Program Title: NewsChannel 9 at 5:00
Time: 5pm
Date: 8/14/15
Duration of Segment: 2:00
Detailed Description: The family of Kevin Ward Junior speaks out after filing a wrongful death lawsuit against Tony Stewart.

Program Title: The Morning News Weekends
Time: 7:00am
Date: 8/16/15
Duration of Segment: 2:15
Detailed Description: A college student and a police suspect share the same name, they're both in their 20s, and they both live here in Central New York. But, the student is getting harassed by people who think he is being accused of trying to lure children away in a park. Detectives say they don't want to release the suspect's mug shot because it could hinder their investigation. They want potential witnesses to be able to identify the suspect without having seen a picture. They do confirm that the Josh Cook being harassed on social media, is not the man they have in custody. They do confirm that the Josh Cook being harassed on social media, is not the man they have in custody.

Program Title: NewsChannel 9 Weekend
Time: 6pm
Date: 8/22/15
Duration of Segment: 2:05
Detailed Description: An anti-terror investigation is underway after a group of American friends foiled a potentially deadly attack on board a European train.

Program Title: NewsChannel 9 Weekend
Time: 11pm
Date: 8/30/15
Duration of Segment: 2:10
Detailed Description: It's the birthday of the woman who went missing nearly 34 years ago and her disappearance still remains a mystery with no suspects in the case.

Program Title: NewsChannel 9 at 5
Time: 5:00pm
Date: 9/1/15
Duration of Segment: 2:15
Detailed Description: A Canastota man accused of carjacking a woman in Syracuse, and leading police on a chase, is now formally charged with the murder of an Oneida mom. The suspect has been in police custody since August. Kevin Farley did make a statement to police after his arrest, but the 42 page document will not be released until after the trial. He is due back in court November 5th. He has entered a plea of not guilty.

Program Title: Eleven@11
Time: 11:00 p.m.
Date: 9/11/15
Duration of Segment: 2:15
Description: Dozens of arrests expected after a massive drug bust in Oswego County. We look at how crews went through the woods in their search.

Program Title: The Morning News Weekends
Time: 7:00am
Date: 9/12/15
Duration of Segment: 2:30
Detailed Description: In Oswego County, dozens of arrests are expected after a major drug bust. An exclusive look at how police plowed through fields, hunted in the woods, and fished along streams for marijuana. Border patrol, the DEC, and the Oswego County Drug Task Force joined

Oswego County Sheriff's Investigators for the two-day operation. The police hit 30 sites and took 250 plants, with an estimated street value of \$100,000.

Program Title: NewsChannel 9 at 5:00

Date: 9/17/15

Time: 5pm

Duration of Segment: 2:00

Detailed Description: A man accused of Manslaughter in his daughter's death is found guilty on all counts.

Program Title: NewsChannel 9 at 5

Date: 9/28/15

Time: 5:00pm

Duration of Segment: 2:45

Detailed Description: The man who murdered a Liverpool librarian and sexually assaulted a young girl at Great Northern Mall in 2013, says he could have been stopped. David Renz made the statement in a video deposition from a Buffalo prison. The victim's family has filed a lawsuit saying Lori Bresnahan would still be alive if the Probation Department noticed Renz tampered with his electronic monitoring bracelet.

Program Title: Eleven@11

Date: 9/28/15

Time: 11:00 p.m.

Duration of Segment: 2:15

Description: Le Moyne medical students learned ways to treat dangerous drugs like synthetic marijuana, which are becoming bigger and bigger problems in our communities.

Economy/Finances topics covered under this issue include:

Government spending

Jobs

Local businesses

Training for work

Program Title: NewsChannel 9 at 6pm

Date: 7/6/15

Time: 6:00pm

Duration of Segment: 2:30

Detailed Description: Keeping high-quality manufacturing jobs in Central New York. The lieutenant governor made that a top priority during her stop at the Baldwinsville Anheuser Busch plant.

Program Title: NewsChannel 9 at 6pm

Date: 7/9/15

Time: 6:00pm

Duration of Segment: 2:00

Detailed Description: It's hard to miss them: high-tech, interactive Syracuse visitors guides. Eleven kiosks are now up around Syracuse, jammed full of information, and they're not just for people coming from out of town.

Program Title: NewsChannel 9 at 6pm

Date: 7/15/15

Time: 6:00pm

Duration of Segment: 2:10

Detailed Description: It's a big day for online shoppers. Amazon is holding its day long Prime Day for Prime members. Walmart has also jumped on the shopping frenzy bandwagon to stir up a little competition. While the super sale is exciting for bargain hunters, a marketing professor we spoke with says, sales like these are becoming so common, they're losing their punch.

Program Title: NewsChannel 9 at 6pm
Time: 6:00pm

Date: 7/23/15
Duration of Segment: 2:20

Detailed Description: Mixed reaction to the wage board's unanimous decision to pay workers at fast food chains \$15 an hour minimum wage. Some believe this is the first step to increasing wages for other low-paying industries and easing the burden on social services, but others think the move will hurt small businesses.

Program Title: The Morning News Weekends
Time: 7:00am

Date: 8/2/15
Duration of Segment: 2:17

Detailed Description: Two years and \$12 million later, the project to update and revitalize the Ithaca Commons is almost complete. It has many business owners celebrating, hoping to see more customers. The city will officially celebrate the end of construction on August 28th and 29th.

Program Title: NewsChannel 9 at 5
Time: 5:00pm

Date: 8/11/15
Duration of Segment: 2:15

Detailed Description: Kids will be back in the classroom in a matter of weeks, and that means stores are packed with parents, stocking up on all the supplies their little ones need to succeed. We go shopping with one of Central New York's best bargain hunters, who says parents need to do some homework if they are looking to score a deal.

Program Title: The Morning News Weekends
Time: 7:00am

Date: 8/15/15
Duration of Segment: 2:15

Detailed Description: Kids will be back in the classroom in a matter of weeks, and that means stores are packed with parents, stocking up on all the supplies their little ones need to succeed. We go shopping with one of Central New York's best bargain hunters, who says parents need to do some homework if they are looking to score a deal.

Program Title: NewsChannel 9 at 5
Time: 5:00pm

Date: 9/1/15
Duration of Segment: 2:15

Detailed Description: By this time next year, the fair will have a whole new look. This morning, Governor Andrew Cuomo unveiled how the state plans to use \$50 million to renovate the fairgrounds. Among the changes, a new Chevy Court, a bigger midway, and a brand new area that will showcase new products and tourism.

Program Title: NewsChannel 9 at 5
Time: 5:00pm

Date: 9/7/15
Duration of Segment: 2:00

Detailed Description: Many kids head back to school tomorrow, but the time in that classroom doesn't come cheap. Parents plan to spend hundreds of dollars on everything from electronics to notebooks and new shoes. Some employers offer school supply discounts at certain stores.

Program Title: NewsChannel 9 Evening
Time: 5pm

Date: 9/11/15
Duration of Segment: 2:15

Detailed Description: Hundreds of jobs are in jeopardy after a local power plant threatens to shut down.

Program Title: NewsChannel 9 at 5
Time: 5:00pm

Date: 9/22/15
Duration of Segment: 2:25

Detailed Description: Financial distress could cause the Fitzpatrick Nuclear Power Plant to pull the plug, leaving more than 600 people without jobs. Aside from losing work, companies in the area fear they will also lose business. They are urging lawmakers to find a way to keep the plant open, and their sales from going dark.

Education - topics covered under this issue include:

Local schools
Students' community contributions
Testing
School votes

Program Title: NewsChannel 9 at 6pm
Time: 6:00pm

Date: 7/21/15
Duration of Segment: 2:40

Detailed Description: Could a new company get "opt-out" parents on board with standardized tests? The State Education Dept. has hired a new test maker to develop ELA and Math exams for elementary and middle schoolers.

Program Title: NewsChannel 9 Evening
Time: 5:00pm

Date: 7/31/15
Duration of Segment: 2:35

Detailed Description: Inflation is on the decline and that's good news for central New Yorkers. But the slump could mean less tax revenue for schools -- forcing districts to tighten their wallets.

Program Title: NewsChannel 9 Weekend
Time: 6:00pm

Date: 8/1/15
Duration of Segment: 2:10

Detailed Description: The project to update and revitalize the Ithaca commons is almost complete. It has many business owners celebrating, hoping to see more customers.

Program Title: Eleven@11
Time: 11:00 p.m.

Date: 08/12/15
Duration of Segment: 2:25

Description: The state releases the results of the Common Core exams and a high percentage of students opted out.

Program Title: NewsChannel 9 at 5
Time: 5:00pm

Date: 8/18/15
Duration of Segment: 2:05

Detailed Description: Some Baldwinsville parents are concerned about new classes their middle school kids will have to take this fall. Until now, it's been an option for students to take a special regents prep course. Now it's mandatory. Under the new policy, all eighth graders will now start at Baker with four high school credits. This allows more opportunities for AP classes and the chance to earn college credit too. The program will get phased in over the next two years.

Program Title: NewsChannel 9 at Noon
Time: 12:00 p.m.

Date: 8/28/2015
Duration of Segment: 2:30

Live interview with SUNY Chancellor Nancy Zimpher at the NYS Fairgrounds. It was

SUNY day at the fair. Discussion center on tuition, student loans and SUNY display

Program Title: NewsChannel 9 at 5
Time: 5:00pm
Date: 9/14/15
Duration of Segment: 2:10
Detailed Description: Starting in 2017, students will be able to find out their eligibility for financial aid sooner than ever. Two major changes: letting students apply sooner and using tax data from two years prior. In 2017, the start date to start applying is in October.

Program Title: Eleven@11

Common viruses

Program Title: NewsChannel 9 at 5

Date: 7/7/15

Time: 5:00pm

Duration of Segment: 2:00

Detailed Description: There is new evidence of disease-carrying mosquitoes in Onondaga County. A pool of mosquitoes near the Cicero Swamp tested positive for EEE last week. Tonight, another pool from the same trap has tested positive for West Nile Virus. The Health Department says neighbors should be aware that mosquitoes are out, and they are not going away. Use bug spray with deet, wear long sleeves and pants, and be vigilant.

Program Title: NewsChannel 9 at 6pm

Date: 7/7/15

Time: 6:00pm

Duration of Segment: 2:45

Detailed Description: The rate of deadly heroin overdoses in the U.S. nearly quadrupled in the span of a decade. The numbers from the CDC show addiction is quickly climbing among women, people with higher incomes and those with private insurance.

Program Title: NewsChannel 9 at 6pm

Date: 7/7/15

Time: 6:00pm

Duration of Segment: 2:15

Detailed Description: Mosquito-borne illnesses are rare, but one Oswego family lost their little girl to EEE four years ago. They're sharing their story in hopes of spreading awareness and saving lives.

Program Title: NewsChannel 9 at 5:30pm

Date: 7/7/15

Time: 5:30pm

Duration of Segment: 2:15

Detailed Description: E-Cigarettes are being marketed as an alternative to tobacco, but they come with one risk that cigarettes don't: liquid nicotine. The FDA has called for more regulations after seeing a surge in calls to U.S. Poison Centers.

Program Title: Eleven@11

Date: 07/07/15

Time: 11:00 p.m.

Duration of Segment: 2:35

Description: The heroin problem in Syracuse is reaching record levels with more and more people dying.

Program Title: NewsChannel 9 at 6:00pm

Date: 7/8/15

Time: 6:00pm

Duration of Segment: 3:30

Detailed Description: The place where you shop for groceries, or grab a bite to eat, just might be the same place where heroin addicts are buying their fix. The addictive drug is reaching beyond its traditional routes and surfacing in places you would least expect.

Program Title: Eleven@11

Date: 07/10/15

Time: 11:00 p.m.

Duration of Segment: 2:25

Description: The competition heats up as companies are bidding to get medical marijuana licenses from the state.

Program Title: NewsChannel 9 at 5

Date: 7/13/15

Time: 5:00pm

Duration of Segment: 2:00

Detailed Description: Lakeland Park and Willow Bank Yacht Club in Cazenovia are back open. They were closed because of blue-green algae in the water. But tests today by the Health Department found low levels of the toxic algae, safe enough for families to swim in. Blue-green algae has also been found in Owasco Lake, near Auburn. But so far, no beaches have been closed.

Program Title: NewsChannel 9 at 6:00pm

Date: 7/13/15

Time: 6:00pm

Duration of Segment: 2:10

Detailed Description: Families living near the Cicero Swamp preparing for a second round of aerial spraying as mosquitoes in nearby traps test positive for EEE earlier than ever before.

Program Title: Eleven@11

Date: 07/13/15

Time: 11:00 p.m.

Duration of Segment: 2:35

Description: More and more people are getting lyme disease. We show you how you can stay safe.

Program Title: Newschannel 9 at 5

Date: 7/14/15

Time: 5:00pm

Duration of Segment: 2:20

Detailed Description: What if your child's doctor diagnosed them with a digital addiction? On average, kids are spending 8-10 hours a day glued to their tablets, phones, laptops, and video games. One to two hours of screen time a day is what the American Academy of Pediatrics suggests. In some countries, digital addiction is a diagnosed disorder, with kids going to rehab centers and forced to quit cold turkey. Doctors say the real solution starts at home.

Program Title: NewsChannel 9 at 5:30pm

Date: 7/14/15

Time: 5:30pm

Duration of Segment: 2:30

Detailed Description: 100,000 cases of Lyme Disease have been reported in New York State since the health department started keeping track, and the numbers are rising. Young ticks are hard to see on skin, and they're most active right now, during the summer months.

Program Title: Eleven@11

Date: 07/14/15

Time: 11:00 p.m.

Duration of Segment: 2:15

Description: A mother who lost her son to a heroin addiction is starting a community support group for addicts.

Program Title: NewsChannel 9 at 5:30pm

Date: 7/15/15

Time: 5:30pm

Duration of Segment: 2:25

Detailed Description: A mother, tired of feeling alone as her son battled a heroin addiction, is building an army of support, one parent at a time. Onondaga County's sheriff calls it one of the most severe drug problems in his 40 year career.

Program Title: NewsChannel 9 Weekend

Date: 7/19/15

Time: 6:00pm

Duration of Segment: 2:15

Detailed Description: The mosquito borne virus, EEE, is confirmed earlier this year than ever before and mosquito numbers are up. We speak with the families of two victims to make people aware that the virus is more common than we think.

Program Title: NewsChannel 9 at 6:00pm

Date: 7/20/15

Time: 6:00pm

Duration of Segment: 2:40

Detailed Description: We've been telling you about people overdosing on synthetic marijuana in Syracuse. NewsChannel 9's Christie Casciano investigates the impact and the push to stop the people and the places selling the dangerous drugs.

Program Title: NewsChannel 9 Weekend

Date: 7/26/15

Time: 6:00pm

Duration of Segment: 2:05

Detailed Description: Health advocates are pushing for more c-p-r training opportunities. Everywhere from schools to malls, homes and hospitals.

Program Title: Eleven@11

Date: 07/27/15

Time: 11:00 p.m.

Duration of Segment: 2:15

Description: A new survey shows many new moms aren't getting some crucial information from doctors about child care.

Program Title: Newschannel 9 at 5

Date: 7/28/15

Time: 5:00pm

Duration of Segment: 2:00

Detailed Description: Girls and boys as young as eight-years-old are already feeling pressure for their bodies to look a certain way. A new study published in "The British Journal of Psychiatry" followed 6,000 eight-year-olds into their early teens, and it proved that a pattern of poor body image at an early age can lead to eating disorders later in life.

Program Title: Eleven@11

Program Title: Eleven@11

Date: 07/30/15

Time: 11:00 p.m.

Duration of Segment: 2:34

Description: We answer viewer questions about mosquitoes and what leads some county health departments to decide to do aerial spraying.

Program Title: The Morning News Weekends

Date: 8/1/15

Time: 7:30am

Duration of Segment: 2:00

Detailed Description: Girls and boys as young as eight-years-old are already feeling pressure for their bodies to look a certain way. A new study published in "The British Journal of Psychiatry" followed 6,000 eight-year-olds into their early teens, and it proved that a pattern of poor body image at an early age can lead to eating disorders later in life.

Program Title: Eleven@11

Date: 08/13/15

Time: 11:00 p.m.

Duration of Segment: 2: 30

Description: Counties are seeing more cases of mosquito-borne illnesses earlier this summer, and Oswego County does aerial spraying for mosquitoes.

Program Title: NewsChannel 9 Evening

Date: 8/14/15

Time: 5pm

Duration of Segment: 2:20

Detailed Description: A new study looks at the happiness of new parents, and found many aren't as satisfied being a mom or dad, as they thought they would be.

Program Title: NewsChannel 9 at 5

Date: 8/17/15

Time: 5:00pm

Duration of Segment: 2:00

Detailed Description: Every year, more than two dozen children die because they are left in a hot car. So what happens if you come across a child left in a car? Do you have the right to take matters into your own hands? Police say if you damage a vehicle to get a child out though, you are looking at criminal mischief and other criminal charges. It is a decision they should be making.

Program Title: NewsChannel 9 at 5

Date: 8/24/15

Time: 5:00pm

Duration of Segment: 2:02

Detailed Description: When kids go back in the classroom, they often bring the germs back home with them. If they are running a high fever or can't keep food down, they should stay home. Kids should be getting a check up with their doctor every year. It is a state requirement for certain grades. The CDC also reminds parents to get kids their flu shot this school year.

Program Title: NewsChannel 9 at 5:00

Date: 9/9/15

Time: 5pm

Duration of Segment: 2:05

Detailed Description: Does your child get enough sleep? School is back in session and that means earlier bed times for kids.

Program Title: NewsChannel 9 Weekend

Date: 9/13/15

Time: 11pm

Duration of Segment: 2:33

Detailed Description: College can be the first step towards independence for many students. While for others the tests is time away from family and new environment, which can put a real strain on their mental health.

Legal Matters--

Program Title: The Morning News Weekends

Date: 8/9/15

Time: 7:00am

Duration of Segment: 2:07

Detailed Description: Race car driver Kevin Ward Jr. died one year ago today, at the Canandaigua Motorsports Park. The 20-year-old driver got out of his car and was walking on the track right before he was hit by Nascar driver Tony Stewart. Since Ward's death, some tracks have changed their rules, saying drivers are banned from getting out of their cars on the track.

Program Title: NewsChannel 9 at 5

Date: 9/15/15

Time: 5:00pm

Duration of Segment: 2:10

Detailed Description: The mother of a six-year-old girl who died from carbon monoxide poisoning has finished testifying at the manslaughter trial of the girl's father. Glenn Collins is accused of leaving Gabriella and her 14-year-old brother home alone with a generator running in the basement last summer. When he returned the next morning, both children were unresponsive. Gabriella died and her brother was hospitalized for days. Among other witnesses called in today's opening statements were three Onondaga County Sheriff's Deputies, two firemen, and Gabriella's mother Julianne. The trial continues tomorrow morning.

Program Title: NewsChannel 9 at 5

Date: 9/29/15

Time: 5:00pm

Duration of Segment: 2:00

Detailed Description: An aggressive driver is once again asking the state for medical parole consideration. The family of Christopher Spack may find themselves again in a fight to keep William LeVea in prison for his sentence of 18 years. Christopher Spack was driving the day a drunken LeVea came up behind him and started repeatedly ramming Spack's truck. He followed Spacks for miles until one last shot sent Spack into oncoming traffic. If the board denies LeVea's application for a medical hearing, he would not be eligible to apply again until July 2017.

Preventing crimes

Consumer product safety

Program Title: NewsChannel 9 at 5

Date: 9/1/15

Time: 5:00pm

Duration of Segment: 2:35

Detailed Description: Parents can easily lose sight of their children at the fairgrounds. If you have little ones, you can pick up one of the lost kids tags when you come through the turnstiles, and jot down your cell number on the tag.

Program Title: NewsChannel 9 at 5

Date: 9/7/15

Time: 5:00pm

Duration of Segment: 2:00

Detailed Description: Many Central New York boaters do so safely, patrols were out trying to spot those that don't. Patrols make sure all children under 12 have life vests, that boater are obeying speed limits, and that they are not drinking and operating the boat.

Program Title: The Morning News Weekends

Date: 9/13/15

Time: 7:00am

Duration of Segment: 2:15

Detailed Description: Today is National Grandparents day, and criminals are out targeting them through phone scams. A few red flags: a caller claiming to be a grandchild in need of an emergency. Grandparents should not give out information and to ask for a number to call back so you can check with another family member about their whereabouts. Also, it could be a good idea to create a family code, or a secret question that only loved ones know.

Program Title: The Morning News Weekends

Date: 9/19/15

Time: 7:00am

Duration of Segment: 2:05

Detailed Description: A new study out of Ohio State shows nearly half of children's car seats do not fit safely in certain types of cars. The Onondaga County Sheriff's office is hosting a check for all parents this morning.

Sports

Program Title: NewsChannel 9 at 6pm

Date: 7/14/15

Time: 6:00pm

Duration of Segment: 2:10

Detailed Description: Burdened by the cost of workers' comp claims, Rochester's professional soccer team, The Lancers, was forced to fold. Could the same thing happen to the Syracuse Silver Knights? The team's president and head coach doesn't think so.

Program Title: NewsChannel 9 at 6pm

Date: 7/24/15

Time: 6:00pm

Duration of Segment: 2:10

Detailed Description: It's Hall of Fame Induction weekend in Cooperstown. A trio of pitchers, Randy Johnson, Pedro Martinez and John Smoltz, along with Houston Astros second baseman, Craig Biggio, will be inducted to the hall. Rome native, Rob Manfred, will also be there. He's a labor relations lawyer, turned Major League Baseball Commissioner.

Program Title: NewsChannel 9 at 5

Date: 7/20/15

Time: 5:00pm

Duration of Segment: 2:15

Detailed Description: The Syracuse University 2015 Football Season begins. The annual ACC Football Media Day kicked off in Greensboro, North Carolina, marking the start of the season.

Program Title: NewsChannel 9 at 5

Date: 8/3/15

Time: 5:00pm

Duration of Segment: 2:05

Detailed Description: Ronda Rousey is making headlines for her third straight UFC Win in under one minute. Aside from the hype over her winning streak, the mixed martial arts community believes the female fighter might be the push New York needs to finally make the sport legal.

Program Title: NewsChannel 9 at 5

Date: 9/8/15

Time: 5:00pm

Duration of Segment: 2:08

Detailed Description: One of the world's largest lacrosse tournaments is coming to Central New York. The games start in ten days and crews are already working long hours to get the venues ready. We have a behind the scenes look at the Lacrosse Championship preps.

Program Title: NewsChannel 9 at 5

Date: 9/21/15

Time: 5:00pm

Duration of Segment: 2:20

Detailed Description: The World Indoor Lacrosse Championship is well underway, especially on the Onondaga Nation which is hosting the tournament on 13 nations. The Onondagas have two sites for games, including a brand new pavilion built just for the event. Throughout the games, the village features a food court, as well as entertainment, activities, and a number of native vendors.

Veterans Affairs – topics covered under this issue include:

Support for veterans

Job assistance for veterans

Housing issues

Program Title: NewsChannel 9 at 6pm

Date: 7/2/15

Time: 6:00pm

Duration of Segment: 2:30

Detailed Description: Some signs beginning to pop up on the front lawns of Central New York veterans. They tell people to be courteous with fireworks. The noise of the fireworks can trigger the effects of PTSD. Some veterans, however, feel the signs cast a negative shadow on the military, saying they don't want current or former members to be viewed as broken people.
