Program Title: NewsChannel 9 at 5:00

Date: 1/27/16

Time: 5:00pm

Duration of Segment: 2:10

Detailed Description: The opening of the new Marriott Syracuse Downtown is still a few months away, but crews are working quickly to finish this massive restoration project. We get a rare look at all the work in the lobby and effort to restore much of its past glory.

Program Title: NewsChannel 9 at 5:00

Date: 2/15/16

Time: 5:00pm

Duration of Segment: 3:25

Detailed Description: It's been quite rebound for Nirvana Natural Spring Water on the Tug Hill, from the brink of closing to bustling again. A group of local businessmen rescued the company from bankruptcy at the end of last year and have already started the turn around. We got a tour of the facility that will insure Nirvana will continue to be made in Central New York.

Program Title: NewsChannel 9 at 5:00

Date: 2/29/16

Time: 5:00pm

Duration of Segment: 4:05

Detailed Description: Bartollota Furniture has been doing woodwork for years, often seen in a restaurant or bar and even someone's home. And it's all handmade locally. Even though the shop has traveled quite a road to get to where it is now, all of its fine work was made in Central New York.

Program Title: NewsChannel 9 at 5:00

Date: 3/8/16

Time: 5:00pm

Duration of Segment: 2:20

Detailed Description: It's the latest chapter in the renovation of the Hotel Syracuse. Renamed the Marriott Syracuse Downtown, the hotel has some of its important flare back. Between the lobby and the Persian terrace, there are a total of 17 chandeliers being returning to their rightful places. There are also several going in this week in the grand ballroom.

Children & Youth – topics covered under this issue include:

Program Title: NewsChannel 9 at 5:30pm

Date: 3/18/16

Time: 5:30pm

Duration of Segment: 2:10

Detailed Description: With the open of an envelope, Upstate Medical University students opened a new chapter of their lives. Match Day reveals where these aspiring doctors will head for their residency. For two students hoping to match together, the day was even more memorable.

Program Title: NewsChannel 9 at 5:30pm

Date: 2/11/16

Time: 5:30pm

Duration of Segment: 3:10

Detailed Description: We continue our Cool Teachers segment and this week we head to the Syracuse City School District. This nominee has only been at Fowler High School for a short time, but Jennifer Sanders shows how he's making a huge difference in students' lives.

Program Title: NewsChannel 9 at 5:00

Program Title: NewsChannel 9 at 5:00
Time: 5:00pm

Date: 2/18/16
Duration of Segment: 3:05

Detailed Description: For about a decade, high school students have been asked to disclose their disciplinary violations on college applications. The Center for Community Alternatives in Syracuse is pushing back, asking colleges to eliminate this section from the common application and school districts not to cooperate.

Program Title: NewsChannel 9 at 5:00
Time: 5:00pm

Date: 2/25/16
Duration of Segment: 2:05

Detailed Description: Board members in the Syracuse City School District are getting their first look at the budget proposal for the next school year. It's a balanced budget, but also one that is built on a lot of assumptions. The plan started with a \$40 million hole, it is filled with fund balance, but the other is the governor's executive state aid proposal. It's not approved yet, and it's a significant ask of the senate and assembly for additional funding.

Program Title: NewsChannel 9 at 5:00
Time: 5:00pm

Date: 2/26/16
Duration of Segment: 2:05

Detailed Description: Hundreds of Central New York high school students took over the Morrisville State College campus to compete in the Region II BOCES' Skills USA Competition. One masonry says today was not just about winning a contest, but proving her skills for a future in building hospitals and clean water wells in Africa.

Program Title: NewsChannel 9 at 5:00
Time: 5:00pm

Date: 3/3/16
Duration of Segment: 2:00

Detailed Description: High School students taking the SAT will have the first shot at the revamped test. College Board officials made huge changes to the standardized exam, in attempts to make the test a better representation of what students will experience in the real world. The changes include the score, which is changing from 2400 back to 1600, the essay added a few years ago is optional, obscure vocabulary words will be replaced with relevant ones teens can would find in books. There is also no penalty for wrong answers and students won't be able to use a calculator for a portion of the math section.

Program Title: NewsChannel 9 Eleven at 11:00
Time: 11:00pm

Date: 3/7/16
Duration of Segment: 2:23

Detailed Description: TENSIONS ARE HIGH TONIGHT IN THE CENTRAL SQUARE SCHOOL DISTRICT -- AFTER PLANS WERE ANNOUNCED BY THE SUPERINTENDENT TO POSSIBLY CLOSE SCHOOLS. Time: 5:30pm

Duration of Segment: 2:30

Detailed Description: 176 days, less than six months until gates open at the 2016 edition of the New York State Fair and there will be some big changes when they do. The state has just awarded a 33-million dollar construction contract for the renovation plan at the fairgrounds. Jeff Kulikowsky talked with the acting fair director about what to expect.

Program Title: NewsChannel 9 at 5:30pm

Date: 2/12/16

Time: 5:30pm

Duration of Segment: 2:20

Detailed Description: Not everything's coming up roses for local florists. Buying online could be hurting your neighborhood shop's bottom line. While they fill the orders and make the deliveries -- they aren't profiting as much as you'd think. The Real Deal on this Valentine's Day discrepancy.

Program Title: NewsChannel 9 at 5:00

Date: 2/4/16

Time: 5:00pm

Duration of Segment: 2:20

Detailed Description: Why does it cost more to fly out of Syracuse than other nearby airports? It depends on when you book. More seats mean a lower fare. As the seats sell out the price becomes more expensive, so Syracuse tends to go more expensive faster since there are less seats to sell.

Program Title: NewsChannel 9 at 5:00

Date: 1/11/16

Time: 5:00pm

Duration of Segment: 2:25

Detailed Description: Some new life is coming to the old Miller Brewing Plant just outside of Fulton. Sunoco, which already operates a large ethanol plant there, is now looking to branch out with barley malting operation and adding eight new jobs to do it. Sunoco has been awarded a \$700,000 grant to help get the operation running. The plan is to have equipment installed this summer and malted barley being produced by fall or winter.

Program Title: NewsChannel 9 at 5:00

Date: 2/3/16

Time: 5:00pm

Duration of Segment: 2:25

Detailed Description: Salmon fishing keeps it on the map, but Pulaski is drawing new attention. It is home to a growing international business and a village center that is experiencing a rebirth. What was once the heart of Pulaski, the Kallet Theater had fallen in the mid-1980s? Owners of Healthway, the village's successful internationally known air purification company, had already fixed up one 19th century village factory for their own operation. In 2011, they decided to branch out and save the theater.

Program Title: NewsChannel 9 at 5:00

Date: 3/15/16

Time: 5:00pm

Duration of Segment: 2:00

Detailed Description: A strong move by the state senate to try and save more than 600 jobs at the Fitzpatrick Nuclear Power Plant. The republican controlled senate is including \$100 million in its budget bill that could ultimately keep the plant running. If approved, the \$100 million could be available as soon as April 1. But it is unclear whether it will remain once the assembly, senate and governor agree on a final budget.

Health: topics covered under this issue include:

Program Title: NewsChannel 9 at 5:30pm

Date: 3/8/16

Time: 5:30pm

Duration of Segment: 2:45

Detailed Description: For the last decade -- children at Enfield and Caroline elementary schools may have been drinking water with lead and parents had no idea. In addition to recent water tests showing unsafe levels of lead, the district revealed both schools had unsafe levels back in 2005. Now an Ithaca pediatrician wonders if children were exposed and the lasting impact they may never shake.

Program Title: NewsChannel 9 at 5:30pm

Date: 2/5/16

Time: 5:30pm

Duration of Segment: 2:20

Detailed Description: Water tainted by lead, too unsafe to drink or use. Thousands of people in Flint, Michigan continue to be in desperate need for water. A Your Stories question last night about a community less than 90 miles north of Syracuse facing a water crisis of its own. With the help of WWNY-TV in Watertown, we have some answers. For years, water in the Town of Orleans has been contaminated by salt. Lawmakers met in Albany this week to work on changing the town's water system

Program Title: NewsChannel 9 at 5:00

Date: 1/7/16

Time: 5:00pm

Duration of Segment: 2:10

Detailed Description: As of today, New York is the 23rd state in the nation to offer certain patients medical marijuana. People suffering from one of ten conditions, including cancer, MS, and ALS, can now seek a prescription from a qualified doctor. But technically there are only 161 doctors state wide registered to authorize a certificate. Three dispensaries in the Syracuse area have been approved by the state, but none are ready for clients. Pharma-Cannib on Old Liverpool Road is open but dispensing only information to potential clients.

Program Title: NewsChannel 9 at 5:00

Date: 1/28/16

Time: 5:00pm

Duration of Segment: 2:45

Detailed Description: The Centers for Disease Control says there have been 31 travel-associated cases of Zika Virus reported in 11 U.S. states and Washington D.C. this year and last year. There are now seven confirmed cases in New York State, and we've learned one of them is in Monroe County (near Rochester). The adult, who was not pregnant, contracted the mosquito borne illness while traveling and has since recovered.

Program Title: NewsChannel 9 at 5:00

Date: 2/2/16
