

Letter of Notification

On the 24th day of January 2023 KRUX 91.5 FM Las Cruces, (hereby referred to as KRUX), had dead air from the time period of 12:50:00pm on Wednesday, January 24th to 12:00:00pm on Thursday, January 25th. We were performing maintenance on our antenna as it had been severely damaged by a storm. As of 12:00:00pm, 25th of January, 2024, KRUX has not experienced dead air and is back up and broadcasting.
