Dear Mr. Hagen:

As you probably are aware, Section 76.64 of the FCC's Rules requires that every three years each broadcast station advise all cable systems in the station's local television market whether the station elects must-carry status or elects to proceed under the retransmission consent provisions of Section 325(b) of the Communications Act, to the extent this election has changed from the station's most recent prior carriage election.

Accordingly, this letter is to advise you that KVRR-TV and full power satellites KJRR-TV; Jamestown, ND; and KBRR-TV; Thief River Falls, MN; and KNRR-TV; Pembina, ND assigned to 113 DMA elects retransmission consent option, effective January 1, 2024. This election is pursuant to the agreement currently in effect between us.

Should you have any questions, please telephone me at 701-277-1515 or by email at: klau@kvrr.com. We can also be contacted at: PO Box 9115; Fargo, ND 58106

Sincerely,

Kathy M. Lau
