As you probably are aware, Section 76.64 of the FCC's Rules requires that every three years each broadcast television station advise all cable systems in the station's local television market whether the station elects must-carry status or elects to proceed under the retransmission consent provisions of Section 325 (b) of the Communications Act.

Accordingly, this letter is to advise you that KVRR; Fargo, North Dakota along with its satellite television stations KJRR; Jamestown, North Dakota, KBRR; Thief River Falls, Minnesota, and KNRR; Pembina, North Dakota licensed and assigned to the Fargo-Valley City, North Dakota DMA, elects the retransmission consent option, effective January 1, 2018.

I trust we will be able to enter into a mutually acceptable arrangement that will provide for your continued carriage of KVRR, KJRR, KBRR, and KNRR after December 31, 2017. I hope to discuss this matter with you further in the near future and look forward to working with you to provide the best possible service to your subscribers. Should you have any questions, please telephone me at 701-277-1515 or email me at klau@kvrr.com. I can also be contacted at PO Box 9115; Fargo, ND 58106 for any correspondence.
