38.1	Consumer Issues	8:00 PM	2018-01-09	40 seconds	Evening News	<p>Have you started planning any trips for this new year? Beware baggage fees can add hundreds of dollars to your next vacation budget. News Channel 8 has tips on how to cut some of those costs. First, take advantage of flyer freebies. There is no cost for child car seats and strollers. So, before you zip them up in their travel bags, pack some extra items inside. Don't pay for overweight bags - pack your heaviest items in your carry on - that way you can pack more in checked bags without going over the 50-pound limit. And perhaps try wearing your luggage; if you have a jacket with multiple pockets, pack them full, then wear the jacket. You can stow it once you get on board.</p>
