Beliefs determine destinies for individuals and nations. George Barna, of *Barna Research*, and author of *Transforming Children into Spiritual Champions*, says we're losing the spiritual/culture war, because children are not getting a Biblical education. By age 13 a child has formed most of his core beliefs. With only 3% *having a Biblical worldview*, our nation is becoming apostate. Dan Smithwick, Founder of the *Nehemiah Inst.*, says we are rapidly becoming a socialist pagan nation that won't have the freedoms and prosperity of a Christian nation. The ramifications are shocking. A worldview is a whole world and life view.
