1/7/2024	15:00	#101	Cal-Trans: Highlighting their public awareness campaign, "Let's Change This to That", to help reduce litter and other pollutants on highways that end up in California's water system. Using comparisons of dirty and pristine roadsides and landscapes, the campaign encourages Californians to pitch in to keep highways clean and our water drinkable, swimmable and fishable. Guest: Loren Magana
1/14/2024	15:00	#102	Sisters of Nia: Empowering socially and economically disadvantaged adolescent girls. The organization serves girls in grades six, seven, and eight, living in urban communities. They focus on bringing out the natural strengths of girls, while encouraging them to live their lives with a purpose. The program culminates in eighth grade with a college tour and rites of passage ceremony. Guest: Synthia Smith
1/21/2024	15:00	#103	CA Low Cost Auto Insurance: The insurance program was established by the Legislature in 1999 and exists as a program designed to provide income-eligible, good drivers with liability insurance protection at affordable rates as a way to meet California's mandatory auto insurance law. The CLCA Insurance Program is a state-sponsored program that makes insurance affordable for California residents who meet the eligibility requirements, regardless of immigration status. The CLCA Insurance program is brought to you by the California Department of Insurance and is administered by the California Automobile Assigned Risk Plan. Guest: Amy Nungaray
1/28/2024	15:00	#104	I'm Listening: This month's feature focused on Suicide: Loss and Survivors. Guest: David O'Leary
