

To whom it may concern:

On Friday, July 10th, we attempted to upload this file to the FCC online public file, but the web site's access was denied showing a technical error # 404. That same day, we requested the FCC IT tech support for help to resolve the issue so we could upload all public files. Case number 2562100 was created and the issue was resolved today Monday, July 13th; therefore the files for Q2 2015, were uploaded until July 13, 2015.
