American Humane: Natural disasters in the USA leave many family pets abandoned and in need of your assistance. Give them a new leash on life by adoption or even fostering until their family owner can be re-united with their pet.

Be part of the equation: Do your best for your children's continuing education. Determine your children's level of mathematical ability. Find out the best way to do this through the website- Be part of the equation.

Make the connection: Recently discharged military veterans are not forgotten. Make them feel less alone and deserted by seeking support through the website-You are not alone.org.

Veteran's crisis line: Veteran suicide is a serious, frequent occurrence. If you encounter such an issue, dial 988, then 1 to reach the veteran's crisis line and get help.

Veteran's Tickets: Empty, unsold event tickets can provide a veteran the opportunity they may not be able to afford. Donate your unused event tickets to Veteran's Tickets so that a deserving veteran can enjoy a film, concert or entertainment.

Wisdom Teeth: Removal of wisdom teeth by an oral maxillary surgeon in a timely manner will prevent dental problems later on. Seek assessment and advice from your family dentist.
