

FCC -1q 2023 WOBO Educational Community Radio, Inc.

AMERICAN HUMANE: A plea to help animals left behind during area wide disasters such as floods, hurricanes, etc... Without their owners, these animals left in animal rescue shelters could use your assistance such as financial funds to help the animal rescue groups with expenses. Give them a new leash on life by adoption or fostering. Also discussed is the need to eat only humanely raised meat.

BE PART OF THE EQUATION: COVID with its stoppage of in-classroom attendance has caused many children to lag behind in their classroom studies. The best way to determine your child's level of knowledge is for the parent to track their math ability. Seek out the best way to do that through be Part of the equation.

Make the Connection: A welcome home to our soldiers. Telling discharged military veterans to make the connection of those who are glad that they are back home! Veteran support is available through youarenotalone.org.

Veteran's Crisis Line: Military veteran suicide is a real mental health issue. If you know of such a situation, dial 988, then 1 to reach the veteran's crisis line and get help in time.

VETERANS' Tickets: Part of the military veteran outreach is to donate unused event tickets so that a veteran can attend a concert, film, entertainment program that the veteran may not be able to afford.

WISDOM TEETH: This PSA relates the need for early age removal of wisdom teeth by an oral maxillary surgeon to avoid dental problems later on in life.

COMMUNITY SPOTLIGHT: The station manager interviewed a local Medicare & Insurance broker regarding the public's options in regards to health insurance be it disability Medicare or age appropriate Medicare or income based Medicaid. They outlined the parameters to apply and the time table for when it is optimal to apply to receive these health insurance benefits.
