

FCC 4q 2023 WOBO Educational Community Radio, Inc.

Community Spotlight: The founder of the non-profit operation called the Christian Help Center was interviewed this quarter. The founder explained that this operation was formed to assist with food for the needy. The Christian Help Center is located in Batavia, Ohio- the center of Clermont county Ohio. Food donations are needed.

AMERICAN HUMANE: Through no fault of their own in the face of natural disasters, pet owners are forced to abandon the family pets. American Humane can assist by providing information as to how these pets can be fostered or even adopted should the pet owners be unable to re-home their pets.

BE PART OF THE EQUATION: Continued education in a classroom environment became impossible when COVID restrictions closed the schools. Parents need to determine the level of mathematical knowledge by seeking out the website BEPART OF THE EQUATION. This will assist in bringing their children up to the proper level for their age.

MAKE THE CONNECTION: Veteran support is available through You Are Not Alone. This website provides appreciation, answers questions and serves to underpin the return to civilian life veteran who is struggling.

VETERANS' CRISIS LINE: Help is available in every county for veterans contemplating suicide. Should you become aware of such a veteran, be sure to reach out for assistance by dialing 988, then 1 to contact the VA crisis line and get urgent help.

VETERANS' TICKETS: This unique idea is a boom to our veterans who cannot afford to purchase costly tickets to sports, entertainment, and community events. Unused tickets can be donated through Veterans' Tickets.

WISDOM TEETH: WISDOM TEETH left in place can create a problem for young adults. This PSA advises you to seek help from your dentist and referral to an oral maxillary surgeon.
