Lightning Boy Foundation Benefit Art Show & Dinner

Buddy Rosacker and his daughter Felicia Rivera were interviewed to discuss the 1st Annual Lightning Boy Foundation Inc. Benefit Art Show and Dinner Saturday November 25th at the La Fonda Hotel. The foundation was established in honor of Valentino 'Tzigiwhaeno' Rivera to nurture and build confidence and integrity in youth through culture and artistic expression. Valentino Rivera wanted to be remembered as he was, a dancer, teacher, student and healer. His family created this foundation in his name. Lightning Boy Foundation, supports a tribally inclusive Lightning Boy Hoop Dance Group and other Youth Performance and Visual Arts objectives, and above all, trying to love others and our place on Earth.
