Sangre de Cristo Funeral Fund Concert Fundraiser

Larry Vigil with The Sangre de Cristo Funeral Fund was interviewed to discuss the upcoming concert fundraiser August 26th at the Santa Fe Community Convention Center. The Sangre de Cristo Funeral Fund is a nonprofit organization founded by El Coro de Jesucristo, a local Spanish choir. The Sangre de Cristo Funeral Fund serves Santa Fe and the surrounding area by offering financial assistance to families for funeral services. Many people don't have the financial means to cover the cost of a basic funeral and this organization aims to ensure everyone is buried with dignity. Working with local mortuaries and churches, the Sangre de Cristo Funeral Fund has helped over 200 low-income families offset the cost of burial services. The organization will also provide their choir, the El Coro de Jesucristo, for free.
