

CHILDREN'S PROGRAMMING REPORT
COMMERCIAL MATTER SUMMARY

This is to certify that WHDT airs six 30 minutes children's programs specifically created for children 13 to 16 years of age on its primary digital channel. These programs are Science Max (two episodes per week), Animal Science (two episodes per week) and Xploration Awesome Planet (two episodes per week).

These Children's programs are specifically coded within our logging/traffic system and no commercial content airs within the shows airing on our primary channel. Only public service announcements air inside these programs.
