1) Issue: PUBLIC SAFETY

DESCRIPTION: WXCZ FM airs information on public safety & health issues.

2) Issue: BENEFITS AND FUNDRAISERS

DESCRIPTION: WXCZ FM is proud of their continued involvement with local charities that conduct fund raising events on the Nature Coast. A large portion of WXCZ Public Service Announcements are devoted to fundraising organizations and events providing listeners with information on how to get involved. When possible our on air personalities participate in these local fundraising events by drawing our audience to participate.

3) Issue: SUPPORT OF AREA VETERANS

Our station is heavily involved with numerous organizations that serve the area's veteran population. Crystal River is home to a National Guard Armory, whose men were heavily deployed during our nation's combat role in the Middle East. As a result many returning area veterans require assistance in making a successful transition to civilian life.

4) Issue: OTHER RELEVANT ISSUES PERTAINING TO THE NATURE COAST

DESCRIPTION: WXCZ is continuously sent information regarding other local issues and asked to support in any way we can. These issues are not always limited to general categories and include wildlife management, education, senior care, debt management and many more.
