Quarter, 2014

During the past quarter, the issues shown below have been significant to our community. We ran _____ programs indicated to address them.

(27) Issue: Water Crisis
Program to address it: Top 21
Date: 3/6/14 Time of day: 5:33 PM Duration: 3 min
Description of program: I talked about the Readership Ambassadors leaving for Uganda. They left to help with the water crisis there. Millions lack safe access to water and many die from water related diseases. Although its a problem in Africa we also experience it here.

(28) Issue: Women and the Water Crisis
Program to address it: Top 21
Date: 3/6/14 Time of day: 5:10 Duration: 4 min
Description of program: Women might struggle the most in the water crisis. The amount of time they spend each day simply walking to get clean water in Africa limits their productivity. This also limits their advancement education and social standing. The topic fits in with my "Ladies That Rock" show and our Readership Ambassadors leaving.

We ran 40 programs indicated to address them.

Issue: Rules when going to Spring Break

Program to address it: TMI
Date: _____ Time of day: 3:30 Duration: 15 min

(3)
Description of program: We talked about certain rules to have when going to a big spring break destination. We gave a tip about how important it is to have a person with yourself at all times. We spoke about how essential it is to have a budget. It's good to have fun but at the same time it's good to have rules.

Issue: Safety tips for travelling

Program to address it: TMI
Date: _____ Time of day: 4:19 Duration: 10 min

(40)
Description of program: Our tips for this issue were about hotels, driving, sunscreen, and etc. We spoke about how it's a good idea to not stay at the very top of the building or the very bottom in case of a burglar or fire. We stressed that it's not okay to text and drive during long trips. It's important to wear sunscreen because it can cause skin damage.
