Blood Cancers, Miami Book Fair, and Fertility (#176) (Sun., 10/28/12, Sat., 11/03/12)

Did you know that blood cancers are the number one pediatric killers in America? But thanks to advancements in medicine and the tireless work of the Leukemia and Lymphoma Society, more kids today are beating the disease and living healthy lives. We talk to a representative from the South Florida branch of the LLS as well as the mother of a local boy whose cancer is in remission. The Miami Book Fair International is the nation's largest literary gathering, and it's here November 11th-18th. We speak with two local authors who'll be featured at the Book Fair, and find out their amazing creative processes. And, we talk with Jason Rossie, who founded the local organization "A Rhea of Hope", which offers fertility options to people with cancer diagnoses. His group brings hope to people who previously thought they had no chance of conceiving a child.

Issue Categories: Health/Social
