To Whom It May Concern,

The purpose of this letter is to certify that REELZCHANNEL, LLC is in compliance with the Children's Television Act of 1990 and the FCC rules implementing the Act during the first calendar quarter, ending March 31, 2021. In addition, REELZCHANNEL is in compliance with the obligations for closed captioning as required by the FCC Rules and Regulation.

This is to further certify that as required by Section 76.607 of Title 47 of the Code of Federal Regulations, all commercial advertisements embedded in programs carried on ReelzChannel Network are in compliance with the loudness control practices contained in Advanced Television Systems Committee (ATSC) A/85: Recommended Techniques for Establishing and Maintaining Audio Loudness for Digital Television ("ATSC A/85 Recommended Practice") at the point of distribution by ReelzChannel Network to authorized reception equipment of downstream multichannel video programming distributors.

Compliance with the ATSC A/85 Recommended Practice is determined by ReelzChannel Network through the use of equipment and associated software that is installed, utilized, and maintained in a commercially reasonable manner.

Based on new FCC rules and regulations this is the last quarterly letter you will receive. Going forward we will send an annual letter, the first being January 2022 to notify of our compliance through the rest of 2021.
