#### CARTOON NETWORK CERTIFICATE OF COMPLIANCE WITH COMMERCIAL LIMITS FOR CHILDREN'S PROGRAMMING

I, Toni Millner, in my capacity as Assistant General Counsel and Vice President – Kid Vid. Compliance for Turner Broadcasting System, Inc. ("Turner"), hereby certify to the best of my information, knowledge, and belief, that the following information is accurate for the period from April 1, 2017, to June 30, 2017:

- I am familiar with the statutory limits of the Children's Television Act of 1990 (the "Act") and the FCC regulations implementing those limits (no more than 12 minutes per hour of commercial matter may be telecast during children's programming\* on weekdays, and no more than 10 ½ minutes per hour on weekends).
- 2) Turner treated all of the programs telecast on Cartoon Network, a leading ad-supported cable television network, as "children's programming" for the purposes of the commercial limits set forth in the Act except for its telecast in the "Adult Swim" block of programming created for an adult audience that airs late night seven days a week.\*\* On a weekly basis, therefore, approximately 98 hours of television programming were treated as "children's programming" for the purposes of the commercial limits set forth in the Act.
- Turner has, as a standard practice, formatted and telecast all of the programs carried on the Cartoon Network during the period noted above within the commercial limits set forth in the Act, to the extent applicable to the programming.
- 4) During this period, there was one incident in which the amount of commercial matter broadcast during children's programming exceeded the statutory limits by approximately 30 seconds due to an unintentional human error. A detailed account of the commercial matter "overage" occurring on Sunday, April 23, 2017, is included in Exhibit 1.
- 5) Turner regrets this incident, which we have proactively investigated and reported. Turner will continue to work to identify ways to improve our KidVid compliance procedures. Moreover, we urge that this incident be viewed in the context of the large amount of children's programming (approximately 98 hours per week) that Cartoon Network has telecast during this period in compliance with the KidVid rules and regulations.

Certified by me this 6th day of July, 2017.

mi millner

Toni Millner Assistant General Counsel and Vice President - Kid Vid Compliance Turner Broadcasting System, Inc.

<sup>&</sup>quot; "Children's programming" for the purposes of the commercial limit means "programs originally produced and broadcast primarily for an audience of children 12 years and under."

<sup>\*\*</sup>During this period, the "Adult Swim" block of programming aired from 8 p.m. to 6 a.m., 7 nights a week. The Adult Swim block contains regular warnings to notify and remind viewers that the content is intended for an adult audience, and is not considered "children's programming" subject to the commercial limits set forth in the Act

#### Exhibit 1

On Sunday, April 23, 2017, there was an incident in which an employee working within Turner's Broadcast Operations Center ("BOC") made an unintentional mistake that resulted in a 30-second time overage in the commercial time limits on Cartoon Network in the hour between 10-11 a.m.

A BOC employee was handling a weekend request from ad sales to change a previously scheduled commercial spot. Under normal procedures, the request to make the change to the scheduled on-air play list would be routed through a proprietary online ticketing system and process that helps ensure appropriate ad insertions and timing adjustments are made, but due to a software glitch, the BOC employee was forced to make a manual adjustment. The employee mistakenly inserted the newly requested 30-second commercial without removing another 30-second commercial. As a result, Cartoon Network inadvertently increased the amount of commercials to 11 minutes of advertising and exceeded the hour's commercial time limits by 30 seconds during this period.

Turner appreciates the importance of the KidVid rules and procedures, but the BOC operator simply made a mistake. In addition to the KidVid training materials made available to the BOC employees, Turner has provided the BOC employee a reminder to exercise care to ensure that any time adjustments during children's programming take into account the commercial time limits.

- 2) Turner has treated all of the programs telecast on Boomerang as "children's programming" for the purposes of complying with the commercial limits set forth in the Act.

- I am familiar with the statutory limits of the Children's Television Act of 1990 (the "Act") and the Federal Communications Commission's regulations ("FCC Rules") implementing those limits for "children's programming"<sup>1</sup> (no more than 12 minutes per hour of commercial on weekdays, and no more than 10 ½ minutes per hour on weekends during "children's programming").
- 2) The FCC Rules require cable operators to maintain certain records regarding their compliance with the advertising limits imposed on children's television programming. These advertising limits and compliance reporting obligations do not apply to cable networks that do not carry "children's programming" as defined under the Act.
- 4) To the best of my information, knowledge, and belief, no "children's programming" has been telecast on NBA TV in the past quarter, nor is scheduled to be shown in the foreseeable future.
- 5) If there are any material changes in the programming policies of the television network so that children's programming is telecast on NBA TV (or in the event that the reporting obligations under the FCC Rules are changed), notice and updated certifications reflecting such changes will be provided.

#### CHILDREN'S PROGRAMMING CERTIFICATION

This is to certify that the list set forth below identifies all programs and series aired by <u>TVE</u> <u>Internacional</u> during the above-referenced calendar quarter that were originally produced and broadcast primarily for an audience of children 12 years old and under. As a standard practice, we formatted and aired each of the children's programs and series identified below so that the total commercial time (including local ad avails, promos for non-educational programs and adjacent ads running before or after the program within the same clock hour) did not exceed 10.5 minutes per hour on weekends, and 12 minutes per hour on weekdays in compliance with the Children's Television Act of 1990 and the rules and regulations of the Federal Communications Commission (the "FCC"), (the "Regulations").

None of the following programs or series included any commercial spots (including local ad avails, promos for non-educational programs and adjacent ads running before or after the program within the same clock hour) that contained references to, characters or actors from, or that offered products related to, the underlying program or series. Any instances in which the children's programming commercial limits were exceeded during the referenced calendar quarter are explained in detail below. I further certify that I have been designated by <u>TVE</u> as the official responsible for oversight of compliance with the FCC children's programming commercial limits, and I am familiar with the Regulations.

# COMMERCIAL TIME – CHILDREN'S PROGRAMMING VIACOM MEDIA NETWORKS CERTIFICATION: 2<sup>nd</sup> Quarter 2017

The following certification is provided regarding compliance during the period of April 1, 2017 to June 30, 2017 (the "<u>Current Quarter</u>") with the commercial time limitations set forth in the FCC's April 12, 1991 Report and Order Implementing the Children's Television Act of 1990 (the "<u>Act</u>") and the rules adopted therein.

NICKELODEON aired children's programming during the Current Quarter to the extent indicated by the attached program schedules. The children's programming NICKELODEON aired during the Current Quarter contained commercial matter in an amount that was not more than 12 minutes per hour on weekdays and 10.5 minutes per hour on weekends. NICKELODEON accordingly certifies that it is in compliance for the Current Quarter with the limitations set forth in the Act and FCC rules. However, between June 10, 2017 and June 14, 2017, NICKELODEON inadvertently aired commercial matter that exceeded the time limitations by approximately 207 seconds in the aggregate.

NICK JR., TEENNICK, NICKTOONS and NICK AT NITE aired children's programming during the Current Quarter as indicated by the attached program schedules for those services, but to the extent these services carried commercials, the amount of commercial matter was within the time limitations set forth in the Act. However, on April 5, 2017, during two approximately 22-minute programs entitled *Power Rangers* (the "Programs"), NICKTOONS inadvertently aired two commercials for a product related to the Programs, which may have caused the Programs to qualify as "program-length commercials", thereby causing the commercial matter to exceed the time limitations set forth in the Act and the FCC rules. As soon as the issue was discovered, it was remedied, and NICKTOONS promptly reviewed its policies and practices to ensure that the error would not reoccur.

Program services MTV, MTVU, MTV2, MTV LIVE, MTV CLASSIC, VH1, LOGO, CMT, CMT MUSIC, COMEDY CENTRAL, TR3S, SPIKE TV, TV LAND, BET SOUL, BET JAMS, BET, BET HIP HOP, BET GOSPEL, CENTRIC and NICK MUSIC did not air any children's programming subject to the requirements of the Act during the Current Quarter.
