## CHILDREN'S PROGRAMMING CERTIFICATION

This is to certify that the list set forth below identifies all programs and series aired by Muzak LLC that were originally produced and broadcast primarily for an audience of children 12 years old and under. As a standard practice, we formatted and aired each of the children's programs and series identified bellow so that the total commercial time (including local ad avails, promos for non-educational programs and adjacent ads running before or after the program within the same clock hour) did not exceed 10.5 minutes per hour on weekends, and 12 minutes per hour on weekdays, in compliance with the Children's Television Act of 1990 and the rules and regulations of the Federal Communications Commission (the "FCC"), (the "Regulations").

None of the following programs or series included any commercial spots (including local ad avails, promos for non-educational programs and adjacent ads running before or after the program within the same clock hour) that contained references to, characters or actors from, or that offered products related to, the underlying program or series. Any instances in which the children's programming commercial limits were exceeded during the referenced calendar quarter are explained in detail below. I further certify that I have been designated by Muzak LLC as the official responsible for oversight of compliance with the FCC children's programming commercial limits, and I am familiar with the Regulations.

No children's programs were run during the immediately prior calendar quarter.

I hereby declare under penalty of perjury that the forgoing is true and correct.

**Re: Children's Television Act of 1990 and Closed Captioning  
Quarter 4 (October 1, 2016 – December 31, 2016)**

Dear Sir/Madam:

The Fox News Channel and the Fox Business Network (collectively, “Fox News”), as a standard practice, do not format or air any children's programs and/or stories and therefore are in compliance with the Children's Television Act of 1990 and the rules and regulations of the Federal Communications Commission pertaining thereto.

With regard to closed captioning, the FCC holds video programming distributors (as opposed to programmers) responsible for compliance with the closed captioning rules. Accordingly, Fox News is under no obligation to demonstrate that it is in compliance with the closed captioning obligations. However, as a courtesy, Fox News hereby notifies you that Fox News is in compliance with all closed captioning benchmarks, rules, and regulations promulgated by the FCC. Unless we notify you otherwise in writing, you may rely on this certification for Fox News being in compliance with the FCC's' closed captioning requirements that apply in future calendar quarters.

Very truly yours,

FOX NEWS NETWORK, LLC
