In addition to past formal training, managers are required to attend trainings on a regular basis during senior management meetings. When recruitment is taking place, each manager is given individual training and guidance on equal opportunity policies. Each job is discussed thoroughly and a plan for recruitment is devised. The State of Maryland has introduced a training portal for use of employees entitled the HUB. Within the portal, all employees including upper level management have access to trainings such as Stopping Sexual Harassment, Bullying in the Workplace and providing Equal Opportunity Employment. On an ongoing basis, employees attend sessions to learn how to access the HUB and they are encouraged to utilize it for training purposes. In addition, staff have attended the following training:

- **Performance Evaluation Training** – Management and supervisors attended this training May 27, 2020.
