D&I Initiative Name:	Family Strengthening	Initiative Date:	July 29, 2016
Brief Description :	The Clara White Mission is a local Jacksonville charity that one of our GSMs is a chairman of. We have a long partnership with them, so what better way to partner than to support their newly built Veteran’s Villa Apartments. These apartments help displaced and homeless veterans have somewhere to call home as the mission teaches them skills and trade as well as feed and clothe them to help them get back on their feet. The Villas had a registry to fill the apartment and CMG Jax Radio rose to the occasion! To celebrate us being able to help strengthen another family, we celebrated our families with our first ever family fun carnival! Employees brought their children, our advertisers supplied a Sundae Party and a Karaoke Kool Down room, and we had games, a pie throwing contest, and a food truck on site. It was a blast!		
Result	We stocked an entire apartment home + raised \$700 in one week to donate towards a local charity, The Clara White Mission. Approximately 40 people attended the event.		

Feedback	We had a lot of FUN! Many people said this was one of the most fun events that we have had and that they look forward to it next year!
