

Here is a listing of Community Problems and Issues

1st Quarter 2020

Escalating political discord

Health concerns with COVID 19 involving local schools, nursing homes, and hospitals

Local business's shutting down temporarily and some permanently because of the pandemic

Public Transportation partially shut down. Making it hard for workers who rely on public transportation and are essential works to continue to work.

Local political elections delayed due to the pandemic

Confusion as to what business's can remain open and which have to close and when they can reopen.

Should churches and religious groups congregate and how to handle public events such as funeral's, graduations and other celebrations.

Availability and cost of testing for COVID 19. Who gets tested first? Why? How Much?

Racial tensions and police brutality when it comes to minorities.

The right to gather and protest misconduct and violence against minorities in our society and doing it during a pandemic and doing it safely and in a non aggressive manner.
