

2nd QUARTER 2019 ISSUES & PROGRAMS LIST

KMTP-TV

Period from 04/01/2019 to 06/30/2019

KMTP-TV's mission is multicultural diversity – through information, education and the arts – bringing significant programming to underrepresented groups in addition to broader audiences in the San Francisco Bay Area.

KMTP has been dedicated to addressing socially conscious issues as well as diversity in its programming fare. Its dedication is reflected in its programming, mission, and organization.

During the period, KMTP-TV has served the public interest by producing and broadcasting diverse content that cover, address and create dialogue around international, statewide, and regional issues. The following is a list of some of the produced or acquired programming aired in response to the public.

KMTP-TV ISSUES AND PROGRAMS LISTINGS

April 1 – June 30, 2019

NEWS AND PUBLIC ISSUES:

JOURNAL - NEWS

The latest and most important developments from the worlds of politics, business, sports and culture. (Dist: DW) Mon ~ Fri 8 p.m.

How Closing The Border Would Affect U.S. Economy, From Avocados To Autos

4/8/2019 8:00pm

Federal judge blocks Trump plan forcing asylum seekers back to Mexico:

President Trump's efforts to close U.S. doors to asylum seekers suffered another setback Monday when a federal judge in San Francisco said he would halt the administration's practice of sending migrants back to Mexico while their cases were considered.

4/12/2019 8:00pm

Trump looks at releasing migrants to Democrat 'sanctuary cities'

US President Donald Trump said he was considering action because of Democrat opposition to his border plans. The White House and Homeland Security officials said the idea had been dropped.

4/17/2019 8:00pm

North Korea test-fires new 'guided weapon'

Pyongyang tested an unspecified "guided weapon" with a "powerful warhead," North Korea's official news agency KCNA has reported. North Korean dictator Kim Jong Un oversaw the operation.

4/23/2019 8:00pm

Defiant China to soften blow of Trump's Iran oil decision

The Trump administration has said it would no longer grant waivers to some of the major importers of Iranian oil. DW takes a look at the impact of this decision on major stakeholders.

Bankruptcy Judge Allows PG&E To Pay Out \$235 Million In Bonuses For 2019

5/10/2019 8:00pm

Trump's China tariffs are about more than just trade

The US president has expanded tariffs against China, putting a trade deal in doubt. Is this an effort to gain more leverage in a potential final lap of trade talks or a reflection of genuine lack of progress?

5/15/2019 8:00pm

Opinion: Strict US anti-abortion laws harm women

A fierce debate is raging in the US over whether women should have the right to terminate pregnancies. The opposition to abortion is driven by misogyny, hypocrisy and ignorance of the facts, says DW's Christina Bergmann.

5/21/2019 8:00pm

U.S.-China trade dispute could last 'not just over months or years, but even decades'

There will be an impact on American households.

5/22/2019 8:00pm

Black unemployment is rising again, undermining a Trump boast on economic growth:

Over the last several months, as the white unemployment rate has continued to trend lower, the black unemployment rate suddenly has turned higher.

5/29/2019 8:00pm

Digital colonialism: Cheap internet access for Africa but at what cost?

Africa is developing its digital infrastructure with the support of know-how and technology from Silicon Valley. Is it giving the tech giants too much power?

5/30/2019 8:00pm

Donald Trump claims 'harassment' after Mueller statement:

President Trump has lashed out at special counsel Robert Mueller one day after Mueller clarified why he did not charge Trump with a crime. Trump also refuted his own statement that Russia helped him get elected.

6/1/2019 8:00pm

Can AI create real art?

Robots have the potential to transform our everyday — including human-defined creativity. But always for the better?

6/10/2019 8:00pm

Vatican Issues Document During Pride Month Denying Concept Of Gender Identity:

The Vatican department charged with overseeing Catholic education released an extensive document Monday decrying what it calls a "crisis" on whether gender can be an individual choice rather than being set by God or biology.

6/18/2019 8:00pm

PG&E To Pay \$1 Billion To Local Governments For Wildfire Damage:

Pacific Gas and Electric Co. (PG&E) has agreed to pay \$1 billion to 14 local governments throughout the state for the wildfire damage caused by its equipment and practice. Attorneys for a group of local public entities — counties and cities — announced the proposed settlement Tuesday to help cover taxpayer losses from the 2015 Butte Fire, the 2017 North Bay Fires and the 2018 Camp Fire.

6/20/2019 8:00pm

Xi Jinping arrives in North Korea

Chinese President Xi Jinping became the first leader of his country to travel to Pyongyang in 14 years. The trip comes as he and Kim Jong Un seek to improve bilateral relations.

6/21/2019 8:00pm

China rescues over 1,000 trafficked women 'sold' as wives

Hundreds of women who were being sold as brides have been rescued in one of the largest anti-trafficking operations to date in China. In some of the worst cases, women were kidnapped and taken across China's borders.

6/30/2019 8:00pm

'Handshake for peace' — Trump crosses into North Korea

US President Trump and North Korean leader Kim have met once again, this time in the Demilitarized Zone. In a largely symbolic meeting, Trump and Kim hailed their personal close relationship amid stalled nuclear talks.
