Dear Ms. Jenkins:

We have completed our review of the response of Community Radio of Northern Colorado, as licensee of the above referenced stations, (see page 1) to the February 8, 2017 random audit letter sent to it in accordance with the provisions of Section 73.2080(f)(4) of the Commission's Equal Employment Opportunity (EEO) rules. As a result of our review, we find that no further action is required.

In accordance with Section 73.2526(e)(10) of the Commission's rules for commercial stations or Section 73.3527(e)(11), for non-commercial stations, each station must place copies of this letter, our February 8 audit letter, and their response in its public inspection file. They must maintain these materials in the file until the grant, by final order, of the next renewal application of the license for the station.

Should you have any questions concerning this matter, you may call the EEO staff at (202) 418-1450. Thank you for your cooperation.

Sincerely,

A handwritten signature in black ink that reads "Lewis C. Pulley". The signature is written in a cursive style with a long, sweeping tail on the final letter.
