Our license will expire on **June 1, 2013**. We must file an application for license renewal with the FCC on **February 1, 2013**. When filed, a copy of the application will be available for public inspection during our regular business hours. The application contains information concerning the station's performance during the last eight years.

Individuals who wish to advise the FCC of facts relating to our renewal application and to whether the station has operated in the public interest should file comments and petitions with the Commission by **May 1, 2013**.

Further information concerning the Commission's broadcast license renewal process is available at Radio Station KNEB, 1928 East Portal Place in Scottsbluff, or may be obtained from the FCC, Washington, D.C. 20554.
