Issue: Agriculture

Program Overview: Agriculture plays a big role in Door and Kewaunee County. We are routinely in contact with our local UW-Extension office for the latest in agriculture news in the area. Many of the topics included manure spreading since nutrient management plans and how they relate to groundwater in the area remains to be a hot topic. We also reached out to a selection of farmers and agriculture professionals to form the Door County Daily News Agriculture Advisory Board. Our station also started "More Milk Mondays," which we buy milk drinkers at four local restaurants their first glass of milk to support our dairy farmers in Door and Kewaunee County.

Issue: Public Health

Program Overview: Public health issues covered a wide range as we covered the dangers of binge drinking, drug abuse, and the quality of our air and water. Our partnership with Door County Medical Center gives us an opportunity to connect with doctors and nurses in the field about major health topics.
