

Issues/Programs Report
WFML Vincennes, IN
Third Quarter 2023

There follows a listing of some of the significant issues responded to by WFML, Vincennes, IN, along with the most significant programming treatment of those issues for the last quarter. This listing is by no means exhaustive. The order in which the issues appear does not reflect any priority or significance.

Here is a listing of some of the significant issues covered this quarter:

- State/Local/National Government
- Transportation
- The Economy
- Public Safety (Law Enforcement, Crime, Fire, Severe Weather, Natural Disasters)
- Preservation/Promotion of Local History
- Local Non-Profit/Public Service Organizations and Events
- Tourism, Arts, and Culture
- Fitness and Health
- Education
- Agriculture

These important issues were addressed through locally produced News and Public Affairs programs, Public Service Announcements, and Special Events Programming such as Remote Broadcasts.

WFML continued its commitment to alerting the Public to emergency situations, whether it be severe weather, school closings, or traffic problems due to accidents, road construction or other problems. This commitment was demonstrated, in part, by inviting local law enforcement, local fire departments, emergency managers and other public safety officials to be guests on our public affairs programming, appearing as guests on our newscasts, etc.
