Calling you over and over bail them out. You don't know what to do. PAL Groups bring people together to swap stories and share strategies -- online or in-person. "When we found PAL we're like okay, we're not alone, there's other people who've been down this road." Monika Kelly reports.
Family	Closer Look	8/6	7:00 pm Segment 1	30 minutes	Free Brand-New 'Threads' for Teens in Foster Care - Children in foster care often arrive at a new placement with just the clothes on their backs. Cathy Hamilton founded San Antonio Threads to give brand-new clothes to older youth(12yrs-21yrs) who have no family to take them shopping. "I've had kids say things like 'old clothes have bad memories; new clothes have good memories -- thank you for the fresh start." Bob Dittman reports.
Family	Closer Look	8/20	7:00 pm Segment 2	30 minutes	Closer Look: Teens Aged-Out of Foster Care Get Help From 'Dream Makers'- Without family and often lacking life skills, former foster kids become homeless adults by the thousands, turning to drugs and crime on the streets just to survive. "Every statistic you hear that is going bad in the United States, a lot of them link back to the foster care system and those kids just not being taken care of." Dream Makers steps in to link aged-out foster kids with practical assistance by connecting them with the generosity of strangers. "It totally up to the community to fulfill the dream." The young adult with a need fills out an application to ask for things that teens with families could easily get from a mom or dad: like money for work clothes, or a laptop for school, or maybe a used car – but Melton says the most common dream request from these youth by far is – food.
Family	Closer Look	9/17	7:00 pm	30 minutes	Closer Look: Young Girls Pregnant and Scared Turn to StandUpGirl.com Dawn-Marie Perez, executive director of StandUpGirl.com says their site stands ready to help. Health	Closer Look	7/9	7:00 pm Segment 1	30 minutes	Closer Look: Kids Fooled by Fentanyl, Rx Fakes- Kids are getting pills that look like Xanax or Percocet online or in the locker room. Health	Closer Look	8/20	7:00 pm Segment 1	30 minutes Segment 1	Closer Look: Tackle Childhood Obesity at Home, Church And School- Millions of American kids suffer words like chubby or chunky – or fat – to describe their young bodies. The COVID-19 lockdowns only worsened already alarming levels of childhood obesity, as the CDC found the BMI (body mass index) in children ages 2-19 years old increase nearly doubled during the pandemic. Excess weight weakens growing muscles and joints and can lead to juvenile diabetes or even trigger life-threatening asthma "Prevention is what we really want, right?" says Geri Henchy, Director of Nutrition Policy at the Food Research and Action Center (FRAC). "We want kids to be in environments that are not obesogenic; where they're gonna
