

WQQZ-CD

Quarterly Issues and Programs List

October 1 through December 31, 2017

The station went off the air on September 7, 2017, due to widespread power outages following Hurricane Irma, and was further damaged by Hurricane Maria, which struck Puerto Rico on September 20. As of January 9, 2018, electrical service has not been returned to the area and the station remains off-the-air.
