

Emergency Information  
Public File  
2014

When an emergency occurs, you need information fast. Midland County residents now have one more way to get important emergency information. Central dispatch now has a governmental organization page on facebook, called Midland County 911. Midland County residents now have numerous ways to access information on emergencies, road closures, material releases, severe weather and more. For emergency information, don't call 911, don't call the radio station, get your information from one of these sources. Access information by telephone, by calling toll free 1-888-tel-more, online at Midlandcounty911.org, thru Midland governmental television with Nixel updates thru Nixel.com. And now thru facebook. On facebook look for Midland County 911. Keeping Midland County residents informed with Midland County central dispatch and your local radio stations. Unforgettable WMPX and AM1490 WMRX
