Growing Greener

Weekly interviews with the leading experts on working in partnership with Nature in the garden.

6:30-8pm

Fusion Radio with James Fusion

The original ... and still the best damn Techno mix on radio!

8-9:30

The Warehouse with Mike Nyce

The best of underground house music, mixed live for your listening pleasure.

9:30-11pm

(1,3,5) The Vault with DJ Anton Banks

Presents listeners with the latest in hard techno, minimal, tech-house, and leftfield mixed live. Featuring exclusive music from international artists.

(2,4) Stage Fright with DJ Fitz and DJ Kuba

STAGE FRIGHT is the island of misfit songs, old and new: b-sides, demos, and live shows welcome.

11pm-midnight

(1,3,5) The Bump with CJ Float

Your favorite way to spend a Wednesday night... The Bump is a LIVE MIX of Electronica that will make you wanna dance.

(2,4) Late Nite Emo with DJ Black Butterfly and DJ Deja Vu

Tune into Late Nite Emo for themed shows featuring genres like pop punk, emo, hardcore, midwest emo, and more!

Thursday:

midnight-1am

Splitting Hairs with DJ Shake and Bake and DJ McKenzie

A humorous musical discussion show dedicated to analyzing the lyrics of popular songs, and finding their inconsistencies and comical meanings.

1-2am

(1,3,5) Word on the Street with DJ Herb

Word on the Street explores the link between language and music, picking a meaningful word from the week and seeing how it can inspire a musical path.

(2,4) Sounds of the Underground with Lucas Larson

Exploring New York City's dynamic downtown music scene during the 70s and 80s — from punk and no wave to disco and house, these are the voices who defiantly pushed the needle, inspiring a generation of misfits and rebels along the way.

2-3am

(1,3,5) Post-What? With Jacob Maren

Post-rock? Post-punk? What does it mean and post-what exactly? Diving into genre movements, how they blend, and where they might go from here.

(2,4) Counting Sheep with DJ Juju

Music that helps you take a nap and fall asleep.

3-4am

Democracy Now!

4-5am

BBC World News

International news coverage from the famous British news network.

5-9am

Morning Edition from NPR

Up-to-the-minute news, background analysis, and coverage of arts and sports.

9-9:30am

Making Contact from The National Radio Project

Providing critical analysis that goes beyond the breaking news, emphasizing positive and creative ways to solve local and global problems.

9:30-10am

Between the Lines

Providing a platform for individuals from progressive organizations ignored by mainstream media.

10-noon

1A with Joshua Johnson from NPR

The show takes a deep and unflinching look at America, bringing context and insight to stories unfolding across the country and the world.

noon-1pm

Democracy Now! from Pacifica

Access to people and perspectives rarely heard in the U.S. media, including journalists, grassroots leaders, activists, artists, academics and ordinary people from around the world.

1-2pm

Providing pithy commentary, interviews and stories you won't hear anywhere else.

3-4pm

The Takeaway

An hour-long national news program. A co-production of PRI and WNYC Radio in collaboration with The New York Times and WGBH Boston.

4-5pm

(1,3,5) River Valley Rhythms with Richard Kamins

Conversations with artists (musicians, composers, visual artists, poets, writers, choreographers, dancers, etc.) and regional arts promoters, as well as the occasional music hour - "where the arts bend with the river through Middletown"

(2,4)

5-6:30pm

Homegrown with Robbie DeRosa

Homegrown is the award winning (2019 Best Radio Personality-Hartford Courant/CTNow)

Connecticut Connected Music Show-playing Connecticut connected artists of multiple genres.

Often treating the listeners to pre-release material and in studio interviews with artists, the show also provides information about live shows in the area.

6:30-8pm

Imagine with Karen Stein

Peace through music! Listen to the best music from around the world and around the block!

8-10pm

Evening Jazz with Bill Denert

A broad range of swing, be bop and avante garde with a sprinkling of new releases. "Hearing is the best experience"

10-11pm

Label Maker with PJ Bush

Highlighting small independent record labels, discussing their backstory, and featuring a sampling of artists on their roster.

11-midnight

(1,3,5) Butter Fingers with Sam

Dropping funky tunes, one groovy slip at a time.

(2,4) Sonic Ambedo with Sam Rapkiewicz

Featuring an eclectic mix of mostly new music from genres across the board with an emphasis on local young artists and musicians making work today.

Friday:

Midnight-1am

(1,3,5) Words and Guitar with dj midwife

The worlds of Words & Guitar collide: Hear 1 poem a night followed by some bedtime shredtime with guitar-based tracks.

(2,4) The Theo Dolan Show with DJ Monkey Business

An absurdist talk show that seeks to make unaware guests uncomfortable and audiences laugh. It is heavily inspired by shows like The Eric Andre show.

1-2am

(1,3,5) Lockdown Loops with dj lump

Songs that send us throughout our lives, channel our feelings, and carry us through trying times.

(2,4) Music to Blank to with DJ Root Canal

The "blank" is filled in with a different activity (music to cry to, music to scream to, etc.), with songs to fit that theme.

2-3am

3-4am

Democracy Now!

4-5am

BBC World News

International news coverage from the famous British news network.

5-9am

Morning Edition from NPR

Up-to-the-minute news, background analysis, and coverage of arts and sports.
