Greetings!

As children go back to school after a lovely summer and we anticipate being treated to a spectacular show of autumn leaves, the passage of time is evident.

Just as the seasons cycle, so too do contracts. I'm writing to bring to mind our retransmission consent agreement with your cable company. Please consider this an official notification that we are electing retransmission consent for the next cycle.

We appreciate being carried by your system and look forward to discussing the continuation of that carriage.

Best wishes for an enjoyable holiday weekend!

Sincerely,
