Chicopee, Mass 01013  
Significant Treatment Of Community Issues  
01/01/2022 through 03/31/2022

# 1) Issue: **Score (Western Mass)**  
Dates: January 26 2022  
Times: 4:00 pm  
Duration: 14:30 Minute Broadcast  
Responsive Programming WACE Public Service program

Produced by WACE this program focused on “Score of Western Massachusetts”. The guest on the program was Len Gendron. The purpose of the program is to foster vibrant small business communities through mentoring and education. The program is designed to help people who may have an idea for a product or small business, but don't know how to get started. They will walk you through each step from the financial process to the hiring process. Score continues to educate and mentor small businesses even after the business is in full operation. The program raised awareness that there is help with many resources available to anyone who desires to start a small business, and does not know how to get all the information needed. The program was hosted by Joseph Ott

# 2) Issue: **Nutrition In Motion**  
Dates: February 28th 2022  
Times: 4:00 pm  
Duration: 14:30 Minute Broadcast  
Responsive Programming WACE Public Service program

Produced by WACE this program focused on a company called Nutrition in Motion with an office located in East Longmeadow Mass as well as other offices throughout the State. The Guest on the program was Dominique Deslauriers, RDN, LD Dominique was invited on the program to discuss February being National Heart Awareness month. There are many things in our diet that impact our heart health, and can cause serious problems if not monitored on a regular basis.. Dominique mentioned for example to keep track of the foods that we are eating that contain high amounts of Trans Fat. Sodium, foods with high sugar, and more. Many of these things if consumed in high doses can contribute to heart disease. The program brought attention to finding ways to keep our diets in check in order to avoid future health and especially heart related issues. The program was hosted by Joseph Ott

# 3) Issue: ***The ESE Foundation***  
Dates: March 28th 2022  
Times: 4:00 pm  
Duration: 14:30 minute Broadcast  
Responsive Programming: WACE Public Service program

Produced by WACE this program focused on the ESE Foundation. The Guest on the program was Hareem, and Sarita Edwards from the Organization. March is Trisomy 18 Syndrome awareness month.. Trisomy is a Chromosome abnormality that can cause birth defects and medical complications. Some of the defects are Kidney disease and heart disease. The ESE Foundation facilitates resources to families living with this problem, along with Economic assistance for those in need. Other resources that can be found at the ESE Foundation are early intervention information along with support groups. The program raised awareness to a vital organization that can help families who don't know where to turn for help with a family member who has Trisomy 18 Syndrome. The program was hosted by Joseph Ott.
