Dear Community Partner:

Please accept our heartfelt thanks for your generous contribution to the Food-A-Thon scheduled for later this year. Your gift has given us a wonderful start to reaching our goal of \$200,000!

Food insecurity remains a real concern in our community. Each month we help over 5,500 families coming to the Pantry for assistance. Economic challenges continue to impact individuals and businesses alike here in Flagler County.

Your generosity will help us to fulfill our mission to feed the less fortunate until they are able to feed themselves.

God's richest blessings,

*Pastor Charles Silano*
